All persons owning a vested

present interest in the fee title to any of the Lots, which interest is evidenced by a proper instrument duly recorded in the Public Records of St. Johns County, Florida shall automatically be members of the Association, and their respective membership shall terminate as their vested interest in the fee title terminates. The Association shall have all of the rights and powers provided by Florida Statutes, its Articles of Incorporation, its By-Laws, and this Declaration.

2. MEMBERSHIP AND VOTING RIGHTS.

A. **MEMBERSHIP.** Every Owner of a Lot is a Member of the Association. If title to a Lot is held by more than one (1) person, each such person is a Member. An Owner of more than one (1) Lot is entitled to one (1) membership per each Lot owned. Each membership is appurtenant to the Lot upon which it is based, and it is transferred automatically by conveyance of title to that Lot, and may not be separated from ownership of a Lot. No person except an Owner may be a Member of the Association, and a membership in the Association may not be transferred except by transfer of title to a Lot. An Owner who is a contract seller may assign such Owner's membership and voting rights to such Owner's vendee in possession.

B. **VOTING.** The Association shall have two (2) classes of voting membership:

1) Class A: The Class A Member shall be all Owners, with the exception of Developer, and shall be entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in the Lot owned, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

2) Class B: The Class B Member shall be Developer, who shall be entitled to four (4) votes for each Lot owned by the Developer and Builder. The Class B membership shall cease and be converted to Class A membership on the happening of one (1) of the following events, whichever occurs earlier:

- (a) When the total votes outstanding in the class A membership equal the total votes outstanding in the Class B membership; or
- (b) On December 31, 2008; or
- (c) Within three (3) months after 75 percent of the Lots have been sold to members other than Builder; or
- (d) at such time as the Developer and its successors and assigns, in its sole discretion, elects to terminate its Class B membership.

Until Turnover, the Developer shall have the right to appoint the directors and officers of the Association. Upon Turnover, the officers and directors appointed by the Class B Member shall submit their written resignations, and the Class A Members shall elect their own officers and directors and assume control of the Association. Provided, however, so long as the Developer or Builder is the Owner of one (1) Lot subject to this Declaration, Developer shall be entitled to appoint one (1) member of the Board of Directors, who shall be removable and replaceable only by the Developer. At such time as the Developer's directors and officers

resign, or the Developer is otherwise obligated or desires to turnover the control of the Association, it shall be the affirmative obligation of the Class A Members to assume control of the Association and to elect the replacement directors. Provided at least thirty (30) days notice of the Developer's decision to cause its directors and officers to resign or to hold the first meeting for the election of directors is given to the Members, neither the Developer nor such directors and officers shall be held liable, financially or in any other manner in connection with any such resignation, even if the Class A Members refuse or fail to assume control at such meeting.

Within a reasonable amount of time after Class A Members first elect new Directors of the Association (not more than thirty (30) days after such event), Developer shall deliver to the Association all property owned by, maintained and controlled by the Association then held by, maintained or controlled by the Developer and the documents required by Section 720.307, Florida Statutes and any amendments thereto.

3. LAND USE CLASSIFICATIONS AND RESTRICTIONS. The Developer does hereby declare that the following provisions shall be applicable to the Property which shall be transferred, demised, sold, conveyed and occupied subject to the terms of the Declaration as follows:

A. Common Property. The Common Property shall be deemed to include all real and personal property (or interest therein) intended for the common use and enjoyment of all Owners and initially includes, but is not limited to, the areas designated as Tract A, B, C and D, on the Plat of HANNAH'S WALK, all of which are or will be owned by and shall be maintained by the Association. The Common Property also includes any other area not included on a platted lot and the following:

1) Drainage. A part of the Common Property is the master drainage system of the Property (hereinafter the Stormwater Management System or "SWMS") as permitted by the St. Johns River Water Management District ("hereinafter "SJRWMD") including the waters of all ponds, drainage structures, pipes and equipment, and all easements for the drainage system as may exist by virtue of the Declaration, a plat or other recorded instrument, easements or by any other methods.

2) Recreation Areas. Buildings, parks, open spaces and other utility or recreation areas or easements set aside for the benefit of all Owners.

3) Streets and Sidewalks. The streets and sidewalks within HANNAH'S WALK are private and are to be owned and maintained by the Association.

4) Walls. Walls constructed by the Developer, Builder and/or Association within the Property, specifically excluding any walls constructed as part of a Townhouse.

5) Signage Areas. Certain areas may be used by the Developer, in its sole discretion, for the identification, marketing, and selling of the subdivision and Lots.

B. Conveyance to Association. Developer shall have the right to convey title to any property within Hannah's Walk owned by it, or any interest therein, to the Association as

Common Property. Developer may require the Association to operate and/or maintain any property owned by Developer which Developer intends to eventually convey to the Association as Common Property. In that event, such property shall be deemed Common Property even though not yet owned by the Association. The timing of the conveyance of any Common Property prior to Turnover shall be in the sole discretion of Developer.

C. Method of Conveyance. The Developer may transfer title (or any interest therein) to any portion of the Common Property to the Association by deed or other appropriate instrument recorded in the Public Records of St. Johns County, Florida. The Association shall be obligated to accept the conveyance as delivered by the Developer and to maintain the Common Property for the use and benefit of the Owners.

D. Use of Common Property. Every Owner shall have the nonexclusive right to use and enjoy the Common Property subject to the following:

1) Transfer of Common Property. Except as is provided in the Declaration, once title to Common Property is transferred to the Association, it shall not be abandoned, partitioned, subdivided, alienated, released, transferred, hypothecated, or otherwise encumbered without first obtaining the written approval of the Developer for so long as it owns any portion of the Property. The Association may encumber the Common Property without Owner approval provided such encumbrances are to secure loans obtained for improving the Common Property being encumbered or to grant easements for the benefit of the Association or Owners.

2) Use by Owners. Subject to any rules and regulations of the Association, a non-exclusive and perpetual right of use of all Common Property shall be deemed to have been granted to: (a) all Owners and their guests; (b) United States mail carriers, and representatives of fire departments, police and sheriff's departments, and other necessary municipal, county, special district, state and federal agencies (in their official capacity); and (c) holders of bonafide security interests and mortgages on any Property (for the purpose of reasonable inspections of such Property); and (d) realtors showing property and prospective purchasers.

3) Prohibited Uses. No Owner shall, without the written approval of the Developer or the Association do any of the following on any part of the Common Property: (a) permit the running of animals except when on a leash; (b) light any fires except in designated areas; (c) fell any trees or injure or damage any landscaping; (d) interfere with any drainage, utility or access easements; (e) or interfere with any water control structures or apparatus. Nor shall any Owner violate rules and regulations that may be established by the Association governing the use of the Common Property.

E. Residential Property. Residential property is that portion of the Property upon which Townhouses may be constructed and shall be for residential use only. No business, commercial activity or profession may be conducted from any Lot, nor may the name of the community or the address of any Townhouse be publicly advertised as the location of any business. Nothing herein, however, shall preclude an Owner from conducting In-Home Business Activities, provided that such Owner receives the prior written approval of the Board. Such approval may be withheld for any reason, including failure to pay assessments, in the Board's sole discretion. Any In-Home Business Activities as used herein shall only mean and include business activities conducted solely within a Townhouse and which do not cause, create

or entail any of the following:

- (1) increased vehicular traffic or parking on the Property;
- (2) clients, customers, or patrons visiting or entering the Property;
- (3) sales activity or solicitation within the Property;
- (4) any form of advertising or signage on or within the Property;
- (5) delivery of supplies or other items to any portion of the Property; and
- (6) any other manifestation of such business activity which may be construed a nuisance or which would unreasonably disturb the residential ambience of the Property, in the sole, unfettered discretion of the Board.

F. Use of Property by the Developer. Except as may be limited in the Declaration, the Developer and its successors, nominees, assigns and Builder shall have the right to make such uses of the Property as the Developer shall, from time to time, determine. Notwithstanding anything to the contrary contained in the Declaration and in recognition of the fact that the Developer will have a continuing and substantial interest in the development and administration of the Property, the Developer hereby reserves for itself and its successors, nominees, assigns and Builder, and the Association recognizes, agrees to and acknowledges that the Developer and its successors, nominees, assigns and Builder shall have the right to use all Common Property and all other portions of the Property in conjunction with and as part of its program of the sale, construction and development of the Property. The Developer's and Builder's right shall include, but not be limited to the right to enter and transact business, maintain models and sales offices, place signs, employ sales personnel, show Townhouses, and other portions of the Property, allow the presence of realtors and potential buyers while engaged in real estate sales activities within the Property and use portions of the Property, Lots and Townhouses and other improvements owned by the Developer, Builder or the Association for purposes set forth above and for storage of construction materials and for assembling construction components without any cost to the Developer, Builder or the Association.

4. ARCHITECTURAL REVIEW.

A. Intent. It is the intent of this Article to provide a mechanism by which the Association may take reasonable steps to maintain the aesthetic integrity and consistency of the Property in the condition and appearance in which same is initially developed and constructed but, at the same time, facilitating the orderly development of the Property (including Lots and related improvements thereon) in a manner consistent with the plans, policies and intent of the Developer.

B. Architectural Review Board. The Board of Directors of the Association shall appoint the Architectural Review Board (hereinafter "ARB"), the purpose of which is to carry out the intent of this Article. The ARB shall consist of not less than three (3) and no more than seven (7) members, each of whom shall serve at the pleasure of the Board of Directors. In the event that the Board of Directors of the Association shall fail to appoint an ARB or shall affirmatively elect not to do so and instead elect to perform such role, then the Board of Directors itself shall perform the functions of the ARB hereunder.

The ARB shall have the power to promulgate such Design Guidelines and procedures as it deems necessary to carry out the provisions and intent of this section; provided, however,

that no such Design Guideline or procedure shall be effective unless and until same is approved by the Board. A majority of the ARB may take any action the ARB is empowered to take, may designate a representative to act for the ARB and may employ personnel and consultants to act for it. In the event of death, disability or resignation of any member of the ARB, the Board shall have full authority to designate a successor. The members of the ARB shall not be entitled to any compensation for services performed pursuant to this Declaration, unless engaged by the Association in a professional capacity. The ARB shall act to approve or disapprove completed applications submitted to it within thirty (30) days after receipt of the completed application including all further documentation required by the ARB. However, any application not specifically approved during this thirty (30) day period shall be deemed unapproved. No request for approval shall be valid or require any action unless and until all Assessments on the applicable Lot, including but not limited to, any interest and late charges thereon and costs of collection including attorney's fees, have been paid in full.

C. Required Approval. No building or other structure or improvement of any nature (including, but not limited to, pools, screen enclosures, patios or patio extensions, exterior paint or finish, awnings, shutters, hurricane protection, basketball hoops, swing sets or play apparatus, decorative plaques or accessories, birdhouses, other pet houses, swales, asphaltting, sidewalk/driveway surfaces or treatments or other improvements or changes of any kind, even if not permanently affixed to the land or to other improvements) shall be erected, placed, modified, altered or permitted to remain on any Lot unless the construction plans and specifications and a plan showing the kind, shape, materials, colors and location of the structure, exterior elevations, and landscaping, as may be required by the ARB have been approved in writing by the ARB. Refusal of approval of plans, specifications and plot plan, or any of them, may be based on any ground, including purely aesthetic grounds, which in the sole discretion of said ARB, seems sufficient. Any change in the exterior appearance of any Townhouse or other structure or improvements, and any material change in the appearance of landscaping, shall be deemed an alteration requiring approval.

In light of the fact that the manner in which a Townhouse is located on the Property may differ, in approving or disapproving requests submitted to it hereunder, the ARB may vary its standards between the Townhouses to reflect such differing locations. Accordingly, the fact that the ARB may approve or disapprove a request pertaining to a particular Townhouse shall not serve as precedent for a similar request from another Owner.

In the event that any new improvement or landscaping is added to a Townhouse or Lot, or any existing improvement on a Lot is altered, in violation of this section, the Association shall have the right (and an easement and license) to enter upon the applicable Lot and remove or otherwise remedy the applicable violation after giving the Owner of the Lot at least ten (10) days prior written notice of, and opportunity to cure, the violation in question. The costs of such remedial work plus a surcharge of twenty-five dollars (\$25.00) or fifteen percent (15%) of the aforesaid costs, whichever is greater, shall be a Special Assessment against the Lot, which Assessment shall be payable upon demand and secured by the lien for Assessments provided for in the Declaration.

The approval of any proposed improvements or alterations by the ARB shall not constitute a warranty or approval as to, and neither the Association nor any member or representative of the ARB or the Board shall be liable for, the safety, soundness, workmanship, materials or usefulness for any purpose of any such improvement or alteration nor as to its

compliance with governmental or industry codes or standards. By submitting a request for the approval of any improvement or alteration, the requesting Owner shall be deemed to have automatically agreed to hold harmless and indemnify the aforesaid members, the Association generally and the Developer from and for any loss, claim or damages connected with the aforesaid aspects of the improvements or alterations. The requesting Owner shall be responsible for obtaining any required permits for any such improvement or alteration from any governmental agency having jurisdiction over the Property.

The ARB may, but shall not be required to, require that any request for its approval be accompanied by the written comments of the Owners of the Lots abutting the Townhouse proposed to be altered or further improved as described in the request.

D. New Construction. Notwithstanding anything in this Article or the Declaration to the contrary, the initial construction of Townhouses or other improvements within the Property by the Developer and Builder shall not be subject to review and approval by the ARB or otherwise fall under the jurisdiction of this Article.

5. TOWNHOUSE PLAN. Prior to initial conveyance by Developer of title to any lot in HANNAH'S WALK, Developer or Builder shall construct on the lot a Townhouse, together with such associated improvements as Developer or Builder may be contractually obligated to provide or as Developer may otherwise deem appropriate.

Developer intends to construct eighty-two (82) Townhouses within the Property in buildings with varying numbers of Townhouses per building. Townhouses in each building will be separated along the common lot line by a party wall. By controlling the construction of the Townhouses, Developer and Builder intend to provide a harmonious exterior appearance and design for all of the Townhouses in HANNAH'S WALK.

Developer or Builder shall prepare a site plan survey for each Lot in HANNAH'S WALK upon which a Townhouse is built depicting the boundaries and improvements of the Lot (the "Lot Survey"). Upon completion of construction of each Townhouse, Developer or Builder shall indicate on the respective Lot Survey the location of the Townhouse on the Lot and the Townhouse's exterior dimensions. Upon the initial conveyance by Developer or Builder of each Townhouse and Lot, a copy of the Lot Survey shall be recorded with the deed of conveyance so that the location of the Townhouse and Lot is ascertainable from an examination of the Public Records of St. Johns County, Florida. Following recording of the Lot Survey, the Lot Survey may be amended by Developer or Builder to correct any errors or omissions therein. Any such amendment to the Lot Survey shall be attached to a duly executed instrument describing the purpose of the amendment, which instrument shall be recorded in the Public Records of St. Johns County, Florida.

The obligation of Developer or Builder to construct a Townhouse on a Lot prior to the initial conveyance of same shall not apply to a conveyance of a lot to a party who succeeds to the rights and obligations of Developer hereunder or to Builder. Except as Developer or Builder may otherwise expressly provide by contract, the construction, development, and sale by Developer or Builder of the Lots, Townhouses and other property and improvements in HANNAH'S WALK, is without warranty, and NO WARRANTIES OF FITNESS, HABITABILITY, OR MERCHANTABILITY AS TO ANY PORTION OF THE HANNAH'S WALK PROPERTY OR

Except as otherwise provided herein, the Association, as agent for and on behalf of the Owners and their respective mortgagees, shall obtain and maintain fire and extended casualty coverage insurance with a responsible insurance company upon all of the insurable improvements of Common Property. The premium for such insurance shall be paid by the Association and shall be included in the assessment for Common Expenses. The Association shall have full authority as agent for the insureds to compromise and settle all claims against its insurance carrier and may institute legal proceedings for the collection thereof.

B. By the Owner. BY VIRTUE OF TAKING TITLE TO ANY LOT, EACH OWNER COVENANTS AND AGREES WITH ALL OTHER OWNERS OF LOTS AND WITH THE ASSOCIATION THAT EACH OWNER SHALL CARRY AND CONTINUOUSLY MAINTAIN COMPREHENSIVE CASUALTY INSURANCE WITH FIRE AND EXTENDED COVERAGE ON SUCH OWNER'S TOWNHOUSE SO THAT SUCH TOWNHOUSE IS FULLY INSURED AT ALL TIMES WITH COVERAGE EQUAL TO NOT LESS THAN THE FULL REPLACEMENT COST OF SUCH TOWNHOUSE. EACH OWNER ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION WILL NOT MAINTAIN ANY CASUALTY OR OTHER INSURANCE ON THE TOWNHOUSE OR ANY PART THEREOF. EACH OWNER FURTHER COVENANTS

AND AGREES THAT IN THE EVENT OF LOSS OR DAMAGE TO THE TOWNHOUSE, THE OWNER SHALL PROCEED PROMPTLY TO REPAIR OR TO RECONSTRUCT THE DAMAGED TOWNHOUSE IN A MANNER CONSISTENT WITH THE ORIGINAL CONSTRUCTION AND OTHERWISE IN ACCORDANCE WITH THIS DECLARATION.

12. ASSESSMENTS.

A. Annual Assessments. The Board shall approve annual budgets of anticipated income and common expenses for each fiscal year and thereupon shall levy an annual assessment against each Lot, payable in monthly installments. The annual assessment shall be collected in the manner established from time to time by the Board.

B. Initial Working Capital Assessment. Upon acquisition of record title to a Lot by the first Owner thereof other than the Developer or Builder, an assessment shall be made by or on behalf of the purchaser to the working capital of the Association in the amount of three-hundred dollars (\$300.00). This amount shall be in addition to, not in lieu of, the annual assessment and shall not be considered an advance payment of such assessment. This amount shall be deposited into the purchase and sales escrow and disbursed therefrom to the Association for use in covering operating expenses and other expenses incurred by the Association pursuant to this Declaration.

C. Continuing Working Capital Assessment. Upon each acquisition of record title to a Lot by any Owner after the acquisition described in sub-section B above, an assessment in the amount of three-hundred dollars (\$300.00) shall be made by or on behalf of each purchaser to the working capital of the Association. This contributions shall be in addition to, not in lieu of, any annual assessments and shall not be considered an advance payment of any assessment. The contributions shall be deposited into the purchase and sales escrow and disbursed therefrom to the Association for use in covering operating expenses and other expenses incurred by the Association pursuant to this Declaration.

D. Special Assessments. In addition, the Board shall have the power to levy Special Assessments against the Lots for any budget shortfalls. The Board shall also have the authority to levy a Special Assessment against a single Lot as provided in this Declaration. Payment of any Special Assessment levied by the Board shall be due upon not less than thirty (30) days written notice thereof on the date and in such installments as the Board may specify.

E. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots (except special assessments specifically assessed against an Owner for costs incurred solely on account of his negligence or failure to comply herewith as elsewhere provided in this Declaration). For so long as Developer is a Class B member or is otherwise in control of the Association, Developer shall not be required to pay annual or special assessments on any Lot owned by Developer or Builder, provided however, in the event that, no less frequently than monthly, Developer shall pay an amount equal to the difference between the operating expenses incurred by the Association and the assessments receivable from other members and other income of the Association for each month. The obligation of Developer to fund deficits of the Association may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these. Notwithstanding anything in the foregoing to the contrary, Developer shall have no responsibility for operating deficits of the Association except to the extent that Developer elects to pay such deficits in lieu of paying assessments in a manner and an amount as a Class A Member. Upon termination of the Class B membership in the Association, the assessments against any Residential Lot owned by Developer or Builder shall be assessed against Developer or Builder as a Class A member consistent with Developer's ownership of such Residential Lot. After the Class B membership has been terminated, Developer shall have no responsibility for operating deficits of the Association.

F. Late Charges. Any assessments which are not paid within ten (10) days of the date due shall be subject to a late charge of ten percent (10%) or such other late charge as may be established by resolution of the Board. If any assessment is payable in installments and an Owner defaults in the payment of an installment the remaining installments of such assessment may be accelerated by the Association to maturity by giving the defaulting Owner ten (10) days notice of intent to accelerate unless all delinquent sums are paid within that time.

G. Personal Obligation. Every assessment levied by the Board shall be the personal obligation of the Owner of the Lot against which the assessment is levied, ownership being determined as of the date of such levy. If any such assessment is not paid within thirty (30) days after the same is due, then the Association may bring suit against the Owner on his personal obligation, and there shall be added to the amount of such assessment the aforementioned late charge and interest and all costs incurred by the Association in preparation for and in bringing such action, including reasonable attorney' fees for pretrial, trial, and appellate proceedings.

13. ASSOCIATION LIEN RIGHTS. Every Owner, by acceptance of a deed or recorded contract of sale to any Lot, is deemed to covenant and agree to pay the assessments provided in this Declaration. All assessments, together with interest at a rate not to exceed the highest rate allowed by Florida law as computed from the date the delinquency first occurs, late charges, processing or other fees, costs, expenses and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot and all improvements thereon

upon which each assessment is made. The lien of every such assessment, together with interest and late charges thereon and costs of collection thereof as herein provided, shall attach and become a charge on each Lot and all improvements thereon upon the recording of this Declaration. In the event any assessment is not paid within thirty (30) days after the same is due, the Association shall have the right to file a claim of lien in the Public Records of St. Johns County, Florida. The lien may be enforced by the Association by foreclosure suit in the same manner as a mortgage or mechanics lien foreclosure or in such other manner as may be permitted by law. All such late charges, interest, costs, and fees shall be secured by the lien of the assessment. It is the intent hereof that the Association's lien rights against each individual Lot shall be subordinate and inferior only to the lien of taxes and special assessments levied by governmental authorities and the lien of any first mortgage held by an institutional first mortgagee.

14. RIGHTS OF INSTITUTIONAL FIRST MORTGAGEES. All savings and loan associations, banks, credit unions, mortgage bankers, mortgage brokers, insurance companies, pension funds having assets in excess of \$25 million, agencies of any state government, and agencies of the United States Government (including the Veterans Administration, the Federal Housing Administration, the Federal National Mortgage Association, and the Federal Home Loan Mortgage Corporation), and their subsidiaries, affiliates, successors and assigns, holding first mortgages upon any of the Lots are herein referred to as "institutional first mortgagees." The termination of the provisions of this Declaration by vote of the Owners, and any amendments to this section of this Declaration, shall require the written consent of institutional first mortgagees holding at least fifty-one percent (51%) of such first mortgages, except for amendments by Developer pursuant to Section 24. Such consent shall not be unreasonably withheld.

15. RIGHTS OF DEVELOPER. The Developer hereby reserves the right to appoint, remove, and replace from time to time the directors of the Association in accordance with the provisions of the Articles of Incorporation and By-Laws. Developer may terminate such right by relinquishing control of the Board to the Owners at any time. As long as Developer or Builder holds ownership of any Lot in HANNAH'S WALK, this Declaration shall not be amended nor the provisions of this Declaration terminated without the written consent of Developer. At the time of recording this Declaration, construction of all of the Townhouses and improvements in the subdivision has not been completed. Developer and Builder reserve all rights and easements necessary or desirable with respect to the Property to complete such construction and to effect the sale or lease of all of the Lots. As long as Developer or Builder holds ownership of one or more Lots in the subdivision, Developer or Builder shall have the right to exhibit such signs and sales paraphernalia on the Property as may be desirable to effect sales and may use one or more of the Lots and the Common Property for offices, models, and other uses appropriate for the promotion of sales and for the development and management of the Property. Developer reserves the ownership of all central television antenna signal distribution wires, lines, and equipment that are installed by Developer or Builder within the boundaries of the subdivision (the "CATV facilities") and the right to convey the CATV facilities to, or authorize the use of the CATV facilities by, such cable television company as Developer may deem appropriate. If requested by the Association, the provision of basic cable television services by such company shall be through contract with the Association on behalf of the Owners.

16. EASEMENTS. The respective rights and obligations of the Owners, the Association,

Developer, Builder, and others concerning easements affecting the subdivision property shall include the following:

A. Reserved by Developer. Developer hereby reserves for the benefit of itself, its successors and assigns, perpetual easements for: (1) the installation, construction, repair, maintenance, and replacement of lines, pipes, wells, drains, cables, equipment, apparatus, structures, roads, driveways, and other improvements, including without limitation, water, sewer, drainage, irrigation, fire protection, electricity, telephone, cable television, and trash disposal, over, under, through, and across the Property; and (2) ingress and egress by pedestrians, runners, bicycles, golf cars, automobiles, and other vehicles over, under, through, and across the Common Property for the purpose of obtaining access to the subdivision property, together with the right to construct, maintain, and replace such roads, walkways, bike paths, and other improvements as may be reasonably appropriate for the use and enjoyment of such easements. Developer may assign and convey any of the foregoing easements to such persons or entities as Developer may deem appropriate for the use of such persons or group of persons as may be designated and upon such terms as may be established by Developer. There is hereby created, declared, granted and reserved for the benefit of Developer, the right to grant, assign and transfer the same to Developer or Builder sales agents and sales representatives. Developer and Builder are granted an easement for construction activities upon Lots and an easement for marketing activities and signs on Lots and for the maintenance on Lots from time to time as model centers in which and from which Developer and Builder, their authorized sales agents and sales representatives may engage in marketing and information activities on a temporary basis during the period of the development of and construction within the Property ("Construction and Marketing Easements"), provided, however, that such marketing activity shall be conducted from and within buildings constructed as Townhouses which are temporarily used for such activities and which are thereafter to be sold, used and occupied as Townhouses. The location of such model centers may be changed from time to time by Developer, in its sole and absolute discretion.

B. Granted to Lot Owners. Each Owner is hereby granted a nonexclusive perpetual easement: (1) over and across the paved portions of the Property for ingress and egress to and from his respective Lot; and (2) for any encroachments by his Townhouse on an adjoining lot which may exist now or in the future by virtue of overhangs, inaccuracies in construction or settlement or movement of the Townhouse, or otherwise, which encroachments shall be allowed to remain undisturbed until they no longer exist.

C. Granted to Utilities. There is hereby granted to all public and private utility companies furnishing utility services to the subdivision a perpetual nonexclusive easement for the construction, installation, maintenance, repair, and replacement of the equipment, structures, and other improvements by which such utility services are respectively provided over, under, across, and through such portion of the Property as may be reasonably necessary therefor. If required by the Association or the Developer, such easement rights shall be reduced to a separate writing containing a legal description and limitations acceptable to the Association or to the Developer.

D. Granted to and by the Association. There is hereby granted to the Association a perpetual nonexclusive easement across each Lot and through each Townhouse for the purpose of maintaining the Common Improvements. The Association shall have the right to grant easements under, over, across, and through the subdivision property to such persons or

entities and for such purposes as the Board may deem appropriate by recording in the Public Records of St. Johns County, Florida, an instrument duly executed by the president or vice president of the Association.

E. Association Right of Entry. The Association shall have the right, but not the obligation, to enter onto any Lot for emergency, security, and safety purposes, which right may be exercised by the Board, officers, agents, employees, managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter onto any Lot to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board.

F. Wall, Entrance Feature and Landscape Easements. There is hereby created, declared, granted and reserved for the benefit of Developer and the Association an easement over and upon all wall, entrance feature and landscape easement areas shown on any plat of the Property together with an easement and license to enter upon such easement areas for the purposes of erecting, constructing, installing, inspecting, maintaining, repairing and replacing any and all entrance features, screening walls or fences, and the installation and irrigation of any landscaping therein, which may be required by the County and/or deemed to be necessary or desirable by Developer or the Association.

G. Conservation Easements. Developer reserves the right to grant conservation easements to qualified grantees over and across Common Property, lakes, open space, areas dedicated to the use of the general public, or all or any portion of the Stormwater Management System or any other portion of the Property as required by the SJRWMD in connection with any permits or other approvals associated with the Stormwater Management System. The conservation areas, or the Association's interest therein, shall be Common Property and the conservation areas shall be the perpetual responsibility of the Association and may in no way be altered from their natural state, except as specifically provided in the conservation easements.

H. Drainage Easements. The Association shall have a perpetual, non-exclusive easement over all areas of the Stormwater Management Systems for access to operate, maintain or repair such systems. This easement shall provide the Association with the right to enter upon any portion of a Lot which is adjacent to or a part of the Stormwater Management System, at a reasonable time and in a reasonable manner, to operate, maintain or repair the Stormwater Management System as required by the St. Johns River Water Management District permit. In addition, the Association shall have a perpetual, non-exclusive easement for drainage over the entire Stormwater Management System. No person shall alter the drainage flow of the Stormwater Management System, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

I. Additional Easements. Developer reserves the right to impose further restrictions and to grant or dedicate additional easements and rights-of-way over the property owned by Developer. In addition, Developer hereby reserves the right to grant easements and rights-of-way over, under and through the Common Areas so long as Developer shall own any portion of the Property. The easements and rights-of-way granted by Developer shall not structurally weaken any improvements or unreasonably interfere with enjoyment of the

Common Areas.

J. Telecommunications Easement. In order to make available to Owners state of the art telecommunication facilities and services, Developer hereby reserves for itself and its Builder and assigns exclusive Communications Easement over the Common Property, which easement will be made available as necessary to service providers designated by the Developer who will provide certain telecommunication services to the Property. The Association acknowledges the Communication Easement and its applicability to Common Property now existing and which may be established from time to time.

K. Party Wall and Other Encroachments. It is contemplated that each Townhouse shall be separated from other Townhouses within a townhouse building by a party wall constructed so that the midpoint of such party wall is located on the boundary line between the adjoining Townhouses. If, however, due to conditions in the field or other causes, the midpoint of such party wall is not so located, then the Owner of the Lot upon which the party wall encroaches shall be deemed to have conveyed a perpetual easement to the adjoining Owner for any encroachment of such improvements upon the affected Lot. In addition, each Owner shall be deemed to have conveyed to the Owner of any adjoining Lot, easements of support and for utilities in and through such party wall.

L. Maintenance Easement. A Maintenance Easement is hereby reserved for the Association over the Lots for the Association to perform maintenance on the Common Improvements and any other maintenance responsibilities.

M. Extent of Easements. The rights and easements of enjoyment created in this Article X shall be subject to the following:

1. The right of the Developer or the Association, in accordance with the Articles of Incorporation and By-Laws, to borrow money from any lender for the purpose of improving and/or maintaining the Common Property and providing services authorized herein and, in aid thereof, to mortgage said Property.

2. The right of the Association to suspend the rights and easements of enjoyment of any Member for any period during which any Assessment remains unpaid, and for any period, not to exceed sixty (60) days, for any infraction of its published rules and regulations, it being understood that any suspension for either non-payment of any Assessment or breach of any rules and regulations of the Association shall not constitute a waiver or discharge of the Member's obligation to pay the Assessment.

3. The right of the Association to charge reasonable admission and other fees for the use of any recreational facility that may be situated on or in the Common Property.

4. The Board shall have the power to place (and remove after notice) any reasonable restrictions upon the private streets and roads including, but not limited to, the maximum and minimum speeds of vehicles using said roads, all other necessary traffic and parking regulations, and the maximum noise levels of vehicles using said roads; provided, however, that no such restrictions may be inconsistent with the terms or provisions of any agreement between the Association and the County Sheriff pertaining to the enforcement of traffic laws within the Property. The fact that such restrictions on the use of such roads shall be

more restrictive than the laws of any state or local government having jurisdiction over the Property shall not make such restrictions unreasonable.

5. The right of the Association to give, dedicate, mortgage or sell all or any part of the Common Property (including leasehold interest therein) to any public agency, authority, or utility or private concern for such purposes and subject to such conditions as may be determined by the Association provided that no such gift or sale or determination for such purposes or conditions shall be effective unless the same shall be authorized by two-thirds (2/3) of the votes of Members of the Association, and unless written notice of the meeting and of the proposed agreement and action thereunder is sent at least thirty (30) days prior to such meeting to every Member. A true copy of such resolution together with a certificate of the results of the vote taken thereon shall be made and acknowledged by the President or Vice-President and Secretary or Assistant Secretary of the Association, and such certificate shall be annexed to any instrument or dedication or transfer affecting the Common Property, prior to the recording thereof. Such certificate shall be conclusive evidence of authorization by the Members.

17. RULES AND REGULATIONS; FINING. The Association may adopt, rescind and amend reasonable rules and regulations concerning the appearance and use of the Property, including Lots, Townhouses and the Common Property. The Association shall provide copies of the rules and regulations and amendments thereto to all Owners. The rules and regulations shall be binding on all Owners after such copies are furnished. No Owner, invitee, or person residing within the property may violate the Association's rules and regulations concerning the use of the Property. All Owners at all times will do all things reasonably necessary to comply with such rules and regulations. Without limitation, any rule or regulation will be deemed "promulgated" when adopted by Board resolution and mailed to all Owners at the address shown on the Association's books.

The Association may impose reasonable monetary fines and other sanctions for violations of the Governing Documents which may be collected by an action against the Owner filed in the County Court of St. Johns County, Florida. The Association's fining procedures for enforcing its Governing Documents shall provide the affected Owner with reasonable prior notice and a reasonable opportunity to be heard, in person and through representatives of the Owner's choice.

18. MANAGEMENT AGREEMENT. The Association, acting through its Board, is authorized to enter into an agreement with any person or legal entity, including Developer or an affiliated company of Developer, to act as managing agent to handle the administrative affairs and maintenance obligations of the Association upon such terms and conditions as the Board may deem to be in the best interests of the subdivision and the Owners. The Board shall, however, retain at all times the power to adopt budgets, levy assessments, promulgate rules and otherwise determine all matters of a nonministerial character.

19. FENCING. No fencing of any kind shall be permitted on the Lots except for privacy fencing not exceeding six (6) feet in height around patios located to the rear of Townhouses. Such privacy fencing may be erected only after the prior written approval of the ARB as required by Paragraph 4 above.

20. STORMWATER MANAGEMENT SYSTEM; CONTRIBUTION FOR SWMS MAINTENANCE. The Developer has caused or will cause to be constructed a Stormwater Management System ("SWMS") for the Property, including, but not limited to, drainage canals, lakes, and drainage retention/detention ponds. At Developer's option, all permits or other approvals associated with the SWMS, may be transferred or assigned to the Association, and the Association shall be obligated to accept such transfer or assignment, as the operating entity with respect to such permits or approvals, and the entity ultimately responsible for all aspects of compliance therewith. It is the intent that the Association shall ultimately and indefinitely be responsible for the maintenance, operation and repair of the SWMS. Maintenance of the SWMS shall mean the exercise of practices which allow the system to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SJRWMD. Any repair or reconstruction of the SWMS shall be as permitted, or if modified, as approved by the SJRWMD.

There are certain components of the SWMS permitted by the SJRWMD that are not within the Property. Specifically there exist retention areas (the "Existing Lakes") adjacent to Tracts B and D of the Plat which are owned and maintained by Harbour Island South Property Owners' Association, Inc. ("Harbour Island"). The Tracts b and D were added to the Existing Lakes to become a component of the Association's SWMS. The Existing Lakes are not subjected to this Declaration, however, a portion of the costs and expense of maintaining the Existing Lakes will be allocated to the Association. Such allocation, as well as the rights, duties and obligations of the Association will be described in a Use Agreement between Harbour Island and the Association.

21. EPA COMPLIANCE. Each Owner agrees to comply with all EPA rules and regulations regarding the use of the Lot and any discharges emanating from or caused by the Owner. Each Owner acknowledges that the Developer or Builder will not bear responsibility for compliance in respect to any Lot upon the sale of such Lot by Developer or Builder to the initial Owner.

22. REMEDIES FOR DEFAULT. In addition to the remedies provided by statute and common law and the remedies elsewhere provided herein, a default by any Owner in complying, with the provision and requirements of the Governing Documents shall entitle the Association to injunctive relief or money damages or both. In any such legal or equitable action, the prevailing party shall be entitled to recover its costs and expenses, including reasonable attorney's fees for pretrial, trial, and appellate proceedings.

The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the SWMS.

23. DURATION. The provisions of this Declaration shall run with and bind all of the Property and shall inure to the benefit of and be enforceable by Developer, the Association, and each Owner, and their respective legal representatives, heirs, successors, and assigns.

24. AMENDMENTS. The provisions of this Declaration may be amended by affirmative vote of the Owners of two-thirds (2/3) of the Lots except that provisions relating to sharing of common expenses, rights of Developer, rights of institutional first mortgagees, and voting rights

of Owners may be amended only with the written consent of all persons or entities adversely affected thereby. Amendments to the Association's Articles of Incorporation and By-Laws may be made in the manner provided therein and shall not be subject to the requirements set forth herein for amendments to the provisions of this Declaration.

Except for amendments by Developer as herein provided no amendment shall be effective unless it is in writing, executed by the president or vice president and attested by the secretary of the Association with the formalities required for a conveyance of real property in the State of Florida, and recorded in the Public Records of St. Johns County, Florida. Any amendment so executed and recorded shall be prima facie evidence that the amendment was duly adopted in accordance with the requirements of this Declaration and the Association's Articles of Incorporation and By-Laws. It shall not be necessary for the individual Owners or holders of recorded liens thereon to join in the execution of any amendment, except as specifically provided herein.

Until Turnover, Developer shall have the unilateral right and irrevocable power to amend this Declaration. Any such amendment shall be executed by Developer, and the joinder or further consent of the Association or individual Owners or holders of recorded liens or other interests therein, including institutional first mortgagees, shall not be required.

25. BINDING EFFECT. All provisions of this Declaration shall be enforceable as equitable servitudes and shall run with the land and shall be in full force and effect until a particular provision is duly amended or until this Declaration is duly revoked and terminated. Any gender used herein shall include all genders and legal entities; the plural number shall include the singular and the singular shall include the plural.

26. SEVERABILITY. If any provision of this Declaration, the Articles of Incorporation, or the By-Laws or any section, sentence, clause, phrase or word thereof, or the application thereof in any circumstance, is held invalid by a court of competent jurisdiction, the validity of the remainder of such instruments and of the application thereof in other circumstances shall not be affected thereby.

ARTICLE 10
INDEMNIFICATION

- 10.1 Indemnity. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action, lawsuit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a Director, employee, Officer, or agent of the Association, against expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by that person in connection with such action, lawsuit, or proceeding unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed indemnitee, that he or she did not act in good faith or in a manner he or she reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he or she had reasonable cause to believe his or her conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any action, lawsuit, or proceeding by judgment, order, settlement, conviction or upon plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or did act in a manner that he or she reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he or she had reasonable cause to believe that his or her conduct was unlawful.

Expenses, including but not limited to attorneys' fees and costs, incurred in defending a civil or criminal action, lawsuit, or proceeding shall be paid by the Association in advance of the final disposition of such action, lawsuit, or proceeding on behalf of the affected Director, Officer, employee, or agent. Such Director, Officer, employee or agent shall not be required to repay such amount unless it shall ultimately be determined that he or she is not entitled to be indemnified by the Association as provided in Article 10.1.
- 10.3 Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any agreement, vote of members, or otherwise, and shall continue as to a person who has ceased to be a Director, Officer, employee, or agent and shall inure to the benefit of the heirs and personal representatives of that person.
- 10.4 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, Officer, employee, or agent of the Association, or is or was serving, at the request of the Association, as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability under the provisions of this Article.
- 10.5 Amendment. Anything to the contrary herein notwithstanding, the provisions of this

Article 10 may not be amended without the prior written consent of all persons whose interest would be adversely affected by such amendment.

BYLAWS
OF

HANNAH'S WALK HOMEOWNERS ASSOCIATION, INC.

Article I

Name, Principal Office, and Definitions

1.1. Name. The name of the Association shall be Hannah's Walk Homeowners Association, Inc. ("Association").

1.2. Principal Office. The principal office of the Association shall be located at P.O. Box 411989, Melbourne, FL, 32941-1989. The Association may have such other offices as the Board may determine or as the affairs of the Association may require.

1.3. Definitions. The words used in these ByLaws shall be given their normal, commonly understood definitions. Capitalized terms shall have the same meaning as set forth in the Declaration of Covenants and Restrictions for Hannah's Walk to be filed in the Public Records of St. Johns County, Florida, as the same may be amended from time to time ("Declaration"), unless the context indicates otherwise.

Article II

Association: Membership, Meetings, Quorum, Voting, Proxies

2.1. Membership. There shall be the following two (2) classes of membership in the Association:

- (a) Class A. Every person, group of persons or entities that is an Owner of a Lot shall be a Class A member of the Association. However, any such person, group of persons, or entities, who holds such interest solely as security for the performance of an obligation shall not be a member and any person, group of persons, or entities that hold such an interest in any area designated as Association Property shall not be a member on account thereof.
- (b) Class B. The Developer shall be the Class B member of the Association.

2.2. Membership Appurtenant to Ownership. Every Owner shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot, and such membership shall be terminated without the necessity of any formal action upon the recording of a valid instrument terminating or transferring the vested, present interest of the Owner.

2.3. Place of Meeting. Meetings of the Association shall be held within the Hannah's Walk subdivision or at such other suitable place within the State of Florida as may be designated by the Board.

2.4. Annual Members' Meetings. The first annual meeting shall be held within three (3) months after seventy-five percent (75%) of the Lots have been conveyed to Members or such

earlier time as the Developer determines. Subsequent annual meetings shall be held on a date to be determined by the Board which date shall be within thirteen (13) months of the preceding annual meeting. In the event that a quorum, as defined in Section 2.12 of these ByLaws, is not present at an annual meeting, the Association may hold the meeting for informational purposes; provided, however, except as provided for in Section 2.12, the Association may not take any action at such meeting unless a quorum is present.

2.5. Special Members' Meetings. The President of the Association ("President") may call special meetings. In addition, it shall be the duty of the President to call a special meeting, if so directed by resolution of a majority of the Board or upon a petition signed by at least ten percent (10%) of the Voting Interests.

2.6. Notice of Members' Meetings. The Secretary of the Association ("Secretary") shall cause written notice stating the place, day, and hour of any meeting of the Members to be delivered by hand delivery or United States mail, postage prepaid, to each Member, or, if permitted by Florida law, by facsimile, computer, fiber optics, cable, or other similar communication devices or such other manner which is reasonably calculated, as determined in the discretion of the Board, to provide personal notice to the Members entitled to notice. Such notice shall be delivered not less than fourteen (14) nor more than sixty (60) days before the date of such meeting.

Notice of an annual meeting need not include a description of the purpose or purposes for which the meeting is called. In the case of a special meeting or when otherwise required by statute or these ByLaws, the purpose or purposes for which the meeting is called shall be stated in the notice. No other business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Member at his or her address as it appears on the records of the Association, with postage prepaid. If sent by facsimile, computer, fiber optics, cable, or such other similar communication device, notice shall be deemed to be delivered when transmitted to the Member at his or her address or number as it appears on record with the Association. The failure of any Member to receive actual notice of the meeting of the Members shall not affect the validity of any action taken at such meeting.

2.7. Waiver of Notice. Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may, in writing, in person or by proxy, waive notice of any meeting of the Association, either before or after such meeting. Neither the affairs transacted nor the purpose of the meeting need be specified in the written waiver. Attendance at a meeting by a Member, either in person or by proxy, constitutes waiver of notice and waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, unless the Member attends a meeting solely for the purpose of stating, at the beginning of the meeting, any such objection or objections to the transaction of affairs.

2.8. Adjournment of Meetings. A majority of the Members who are present at any annual or special member's meeting may adjourn the same to a different date, time, or place, even if a quorum does not exist. However, any such adjournment to a different date, time, or place must be announced at that meeting before the adjournment is taken or notice must be

given of the new date, time, or place pursuant to Section 2.6 above. Any business that might have been transacted on the original date of the meeting may be transacted at the adjourned meeting. If a new record date for the adjourned meeting is or must be fixed, notice of the adjourned meeting must be given to persons who are entitled to vote and are members as of the new record date but were not members as of the previous record date.

2.9. Voting. All Members may vote at a meeting by voice vote, written ballot, general or limited proxy. All votes of the Members at meetings shall be subject to the quorum requirements of Section 2.12 of these ByLaws.

(a) Class A. Class A members shall be entitled to one (1) vote for each Lot in which they hold the interests required for membership. In the event that more than one (1) person, group of persons or entities is a record owner of a fee interest in any Lot, then the vote for membership appurtenant to such shall be exercised as such persons among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot. In the event owners of a Lot cannot agree as to which owner shall be entitled to vote or cannot agree as to a unified vote on the issue being voted upon, then in that event said vote shall not be a valid vote and shall not be counted in a tabulation of the votes but may be counted for quorum.

(b) Class B. The Class B member shall be entitled to four (4) votes for each Lot owned by the Class B member.

2.10. Proxies. Members may vote by person or by proxy. Each proxy shall be in writing, dated and duly signed, shall state the date, time, and place of the meeting for which it was given, and shall be filed with the Secretary prior to the vote at the meeting for which the proxy states it is to be effective. Proxies shall be deemed filed with the Secretary, upon receipt if delivered by personal delivery, U.S. mail or facsimile addressed to the Secretary at the address or facsimile number for the Association. Unless otherwise provided in the proxy, one proxy shall cover all votes which the Member giving such proxy is entitled to cast, and in the event of any conflict between two or more proxies purporting to cover the same voting rights, the latter dated proxy shall prevail. If dated the same date, both proxies shall be deemed invalid. A proxy is effective only for the specific meeting for which it was given, as the meeting may lawfully be adjourned and reconvened from time to time, and each proxy automatically expires ninety (90) days after the date of the meeting for which it was originally given. If the proxy form expressly so provides, any proxy holder may appoint, in writing, a substitute to act in his or her place. The proxy of any Member shall be revocable and shall automatically cease upon conveyance of such Member's Lot. Both general and limited proxies may be used.

2.11. Majority. As used in these ByLaws, the term "majority" shall mean those votes, Members, or other group, as the context may indicate, totaling more than fifty percent (50%) of the total eligible number.

2.12. Quorum. Except as otherwise provided in these ByLaws, the Articles or in the Declaration, the presence, in person or by proxy, of twenty percent (20%) of the Voting Interests shall constitute a quorum at all meetings of the Association. Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum; provided, unless otherwise specifically set forth in these ByLaws, the Articles or the Declaration, any action for which a vote of the Members at a meeting is required must be approved by at

least a majority of the votes required to constitute a quorum.

2.13. Conduct of Meetings. The President shall preside over all meetings of the Association, and the Secretary shall ensure that minutes of the meeting are kept and that all resolutions adopted at the meeting, as well as all transactions occurring at the meeting, are recorded in a minute book.

2.14. Video or Telephone Participation. One or more Members may participate in and vote during any regular or special meeting of the Members by telephone conference call, video conference, fiber optics, cable, or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time, and those Members so participating shall be deemed present at such meeting for all purposes, including calculation of a quorum, as determined by the Board.

2.15. Action Without a Meeting. Any action required or permitted by law or by these ByLaws, the Articles and/or the Declaration to be taken at a special or annual meeting of the Members may be taken without a meeting, without prior notice, and without a vote, so long as such action complies with Section 617.0701, Florida Statutes, or its successor law, as from time to time amended.

Article III **Board of Directors**

3.1. Governing Body Composition. The affairs of the Association shall be governed by a Board of Directors, who need not be Members of the Association.

3.2. Number of Directors and Voting Power. The first Board shall consist of three (3) directors. The Board shall remain at three (3) directors until such time as the Developer transfers control of the Association to Owners other than the Developer. At which time the Board shall consist of not less than three (3) Directors who must be members of the Association. Each director shall have one (1) equal vote.

3.3. Appointment of Initial Board of Directors. The Developer has power to appoint the initial Board of Directors, and the initial Board of Directors or their Developer-appointed replacements shall serve until the first annual meeting of the Owners, which shall be held within three (3) months after seventy-five percent (75%) of the Lots have been conveyed to Members or such earlier time as the Developer determines.

3.4. Director Applications and Nominations.
