(a) The right of the Association to charge assessments and other fees for the maintenance and security of the Common Areas and the facilities and services provided to Owners as described herein.

Any repair or reconstruction of the surface water or stormwater management system shall be as permitted, or if modified as approved by the St. Johns River Water Management District.

Section 2. Assignment of Right. Any Owner may assign his right of enjoyment to the Common Areas and facilities thereon to his tenant who resides on his Lot, subject to the provisions of this Declaration and the Association Articles and Bylaws and Association Rules and Regulations.

Section 3. Destruction of Facilities. In the event any Common Areas, facilities or personal property of the Association or of Developer are damaged or destroyed by an Owner or any of his guest, tenants, licensees, agents, employees or members of his Family as a result of negligence or intentional acts, such Owner shall authorize the Association to repair the damage. Such repairs will be performed in a good and workmanlike manner in conformance with the original plans and specifications for the area involved or as the area may have been modified or altered subsequently by the Association. Section 4. Transfer of Title. Developer may retain title to the Common Areas, or any portion thereof, until such time as it has completed all improvements thereto. Upon such completion, Developer hereby covenants that it will convey the Common Areas to the Association subject to easements, restrictions and governmental permits of record and free and clear of all liens and financial encumbrances other than taxes for the year of conveyance. ARTICLE IV

ASSOCIATION

Section 2. Services. The Association may employ or contract with one or more third parties for the performance of all or any portion of the Association's responsibilities hereunder.

ARTICLE V

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of Lien and Personal Obligations. All assessments and fines (referred to collectively in this Article as "charges"), together with interest and costs of collection when delinquent, shall be a charge on the land and shall be a continuing lien upon the Lot against which the charges are made, and shall also be the personal obligation of the person or entity who is the Owner of such Lot at the time when the charges were levied, and of each Owner. Every Owner, excluding Developer, of a Lot, by acceptance of a deed therefor, whether or not it shall be expressed in such deed, shall be deemed to covenant and agree to pay to the

Association the charges established or described in this Article and in the Association Articles and Bylaws. No diminution or abatement of any charges shall be allowed by reason of any alleged failure of the Association to perform such function required of it, or any alleged negligent or wrongful acts of the Association, or its officers, agents and employees, or the nonuse by the Owner of any or all of the Common Areas, the obligation to pay such charges being a separate and independent covenant by each Owner.

Section 2. Annual General Assessment. Each Lot within the Property is subject to an annual General Assessment by the Association for the improvement, maintenance and operation of the Common Areas and the Master Drainage System, including the management and administration of the Association and the furnishing of services as set forth in the Declaration. Such General Assessments must be allocated equally on a per Lot basis. As further described in this Article, the Board of Directors by a majority vote shall set the annual General Assessments at a level sufficient to meet the Associations obligations. The Board of Directors shall have the right, power and authority, during any fiscal year, to increase the annual General Assessment for the purpose of meeting its expenses and operating costs on a current basis. The Board of Directors shall set the date or dates that the General Assessments shall become due, and may provide for collection of General Assessments annually or in monthly, quarterly or semi-annual installments; provided however, that upon a default in the payment of any one or more installments, the entire balance of the yearly Assessment may be accelerated at the option of the Board of Directors and be declared due and payable in full.

Section 3. Special and Emergency Assessments.

(a) In addition to the General Assessments authorized above, the Association may levy in any assessment year a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement located on, upon, or within the Common Areas

and Master Drainage System, including fixtures and personal property related thereto.

(b) The Association may levy an Emergency Assessment at any time by a majority vote of the Board of Directors, for the purpose of defraying, in whole or in part, the cost of any unusual or emergency matters that affect the Common Areas or the Master Drainage System, and the Emergency Assessment shall be due and payable at the time and in the manner specified by the Board of Directors.

Section 4. Lot Assessments. The Association may levy in any assessment year a Lot Assessment against a particular Lot for the purpose of defraying, in whole in a part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the specific Lot, or any other maintenance or special services provided to such Lot or its Owner, the cost of which is not included in the General Assessment.

Section 5. Commencement of General Assessments. The General Assessments provided for herein shall commence as to each Lot on the first day following the conveyance by Developer to the GREENRIDGE UNIT TWO Homeowners Association, Inc.

Section 6. Effect of Nonpayment and Remedies of the Association

(a) Any Charges not paid within fifteen (15) days after the due date shall be subject to a late fee as determined from time-to-time by the Board of Directors and shall bear interest at a rate of eighteen percent (18%) per annum until paid.

(b) All Charges against any Lot pursuant to this Declaration, together with such late fee, interest thereon, and cost of collection thereof (including reasonable attorneys' fees, whether suit is filed or not), shall become a lien on such Lot from and after the date of recording a claim of lien in the public records of St. Johns County, Florida. The Association may bring an action at law against the Owner personally obligated to pay the same, foreclose the lien against the Lot, or both. Costs and reasonable

attorneys' fees incurred in any such action shall be awarded to the prevailing party. The lien provided for in this Section shall be in favor of the Association. The Association shall have the power to bid for an interest in any Lot foreclosed at such foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

(c) The lien of the Charges provided for herein shall be inferior and subordinate to the lien of any first mortgage placed upon any Lot so long as such mortgage lien is recorded prior to any claim of lien filed by the Association. The sale or transfer of Lot pursuant to foreclosure, by such mortgage, or any proceeding in lieu of foreclosure, shall extinguish the lien of such Charges as to payments which became due prior to such sale or transfer; however, any party taking title to a Lot pursuant to mortgage foreclosure, or any proceeding in lieu thereof, shall be liable for any Charges which become due after such acquisition. Any Charges which are waived by virtue of a party taking title to a Lot pursuant to mortgage foreclosure or proceeding in lieu thereof shall be distributed equally between all Class A Members as an Association expense.

Section 7. Certificate. The Treasurer of the Association upon written demand of any Owner liable for charges, shall furnish to such Owner a certificate in writing signed by such Treasurer, setting forth whether such charges have been made.

Section 8. Budget.

(a) The fiscal year of the Association shall consist of a twelve-month period commencing on January 1 of each year and terminating on December 31 of that year.

(b) The GREENRIDGE UNIT TWO Homeowners Association, Inc., shall determine the budget for the fiscal year in which a Lot is first assessed its fractional share of the Annual General Assessment.

(c) Pursuant to the Association Articles and Bylaws, the Board of Directors shall adopt a budget for each succeeding year containing an estimate of the total amount which they consider

necessary to pay the cost of all expenses to be incurred by the Association to carry out its responsibilities and obligations including, without limitation, the cost of wages, materials, insurance premiums, services, supplies and other expenses needed to render the services specified hereunder. Such budget shall also include such reasonable amounts as the Board of Directors consider necessary to provide working capital and to provide for general operating reserve and reserves for contingencies and replacements. The Board of Directors shall send each of its Members a copy of the budget, in a reasonably itemized form which sets forth the amount of the Assessments payable by each of its Members. Each budget shall constitute the basis for determining each Owner's General Assessment as provided herein.

(d) The failure or delay of the Board of Directors to prepare or adopt the annual budget or adjusted budget for any fiscal year shall not constitute a waiver of release in any manner of any Owner's obligation to pay any assessment as herein provided, whenever the same shall be determined. In the absence of an annual budget or adjusted budget, each Owner shall continue to pay the Assessment at the then existing rate established for the previous fiscal period in the manner such payment was previously due until notified otherwise.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from all assessments and liens created herein:

(a) All properties dedicated to and accepted by a governmental body, agency or authority;

(b) All Common Areas;

(c) All properties owned by any charitable or nonprofit organization exempt from taxation under the laws of the State of Florida, except any such property occupied as a residence; and

(d) All properties owned by the Developer. The Developer may assign this exemption right to any entity which acquires two or more Lots for development purposes. Such an assignment shall have no effect on the Developer's exemption hereunder.

Section 10. Ad Valorem Taxes. In the event the Common Areas owned by the Association are taxed separately from the Lots deeded to Owners, the Association shall include such taxes as a part of the budget. In the event the Common Areas owned by the Association are taxed as a component of the value of the Lot owned by each Owner, it shall be the obligation of each Owner to timely pay such taxes.

ARTICLE VI

ARCHITECTURAL CONTROL

Section 1. ARB. The Developer shall establish the Architectural Review Board (the "ARB"), which shall consist of at least five (5) members who may or may not be members of the Board of Directors, provided that prior to the termination of Developer's right to appoint and remove officers and directors of the Association, Developer reserves the right to appoint a majority of members of the ARB, which appointees do not have to be Owners. Developer or its assigns will retain control of the ARB as long as it owns one or more lots in the development. Each ARB member shall be appointed for a one (1) year term commencing with the fiscal year of the Association and may be removed, with or without cause, by the Developer at any time by written notice, with successors appointed to fill such vacancy for the remainder of the term of the former member, provided that only Developer shall have the right to remove ARB members which Developer has appointed. The ARB shall meet at least quarterly or on an as needed basis as may be designated by the Chairman of the ARB. Three (3) members shall constitute a quorum for the transaction of business, and the affirmative vote of the majority of those present in person or by proxy shall constitute the action of the ARB on any matter before it. The ARB is authorized to retain the services of consulting architects, landscape architects, urban designers, engineers, inspectors, contractors and/or attorneys in order to advise and assist the ARB in performing its functions as set forth herein.

Section 2. Architectural Approval.

(a) No construction, modification, alteration or other

improvement of any nature whatsoever, except for interior alterations not affecting the external structure or appearance of any House, shall be undertaken on any Lot unless and until a plan of such construction or alteration shall have been approved in writing by the ARB. This Article shall not apply to any portion of the Property while it is being utilized by a governmental entity or being developed by the Developer.

(b) The plans to be submitted to the ARB for approval shall include (i) two copies of the construction plans and specifications, including all proposed landscaping, (ii) an elevation or rendering of all improvements, (iii) such other items as the ARB may deem appropriate. One copy of such plans, specifications and related data so submitted shall be retained in the records of the ARB, and the other copy shall be returned to the Owner marked "Approved" or "Disapproved".

(c) Approval shall be granted or denied by the ARB based upon compliance with the provisions of the Declaration, the quality of workmanship and materials, harmony of external design with surrounding structures, the ARB's design and construction standards in effect, if any, from time-to-time, the effect of the improvements on the appearance of surrounding areas, and all other factors, including purely aesthetic considerations which, in the sole opinion of the ARB, will affect the desirability or suitability of the construction. The ARB shall have the sole discretion to determine whether plans and specifications submitted for approval are acceptable.

(d) Approval or disapproval of applications shall be given to the applicant in writing by the ARB in accordance with its forthcoming within thirty (30) days after complete submittal has been made to the ARB, unless an extension is agreed to by the applicant, the application shall be deemed approved and the construction of the improvements applied for may be commenced, provided that all such construction is in accordance with the submitted plans, and provided further that such plans conform in all

respects to the other terms and provisions of this Declaration and the ARB's design and construction standards, if any.

(e) After approval by the ARB, the proposed improvements must be substantially commenced within six (6) months excepting approvals set forth in Article VI, Section 2 (f), or approval must once again be obtained from the ARB as provided herein. Once commenced, the construction must proceed diligently. The exterior of any House and the accompanying landscaping shall be completed within nine (9) months from commencement unless the ARB allows an extension of time.

(f) The developer may approve plans for future building by the builders prior to the developer turning architectural control over to the Homeowners Association. Minor changes in said plans will be allowed without requiring the builder to resubmit the plans to the Architectural Review Board. The "ARB" and the Homeowners Association will be bound to honor the plan approvals given by the Developer.

(g) The ARB shall establish a fee sufficient from time-to-time to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, urban designers, inspectors or attorneys retained in accordance with the terms hereof.

Section 3. No Representation. No approval of plans and specifications and no publication of architectural standards, if any, shall be construed as representing or implying that such plans, specifications or standards will, if followed, result in properly designed improvements. Such approvals and standards shall in no event be construed as representing or guaranteeing that any House or other improvement built in accordance therewith will be built in accordance with applicable building codes or other governmental requirements or in a good and workmanlike manner. Neither Developer, the Association nor the ARB shall be responsible or liable for any defects in any plans or specifications submitted, revised or approved pursuant to the terms of this Article, nor any

defects in construction undertaken pursuant to such plans and specifications.

Commercial vehicles for pick up and delivery services may, on a temporary basis only, constitute an exception to this Section.

Section 10. Sanitary Sewerage and Water Service.

(a) Prior to the occupancy of a residence on any Lot, proper and suitable provisions shall be made for the disposal of sewerage by connection with the sewer mains of the utility company ("Utility") which has entered into a utility agreement with the Developer. The Utility shall have the exclusive right and privilege to provide sewer treatment and water utility service and the Owners shall connect up to and be serviced by this Utility and no other. The Utility shall operate and maintain the sewer systems, including the sewage treatment plant and sewage lift-stations in a manner so as not to pollute the ground, air or water in, under or around such area or subdivision with improperly or inadequately treated sewerage. The Utility further agrees to operate the system in accordance with regulations and recommendations of the State Board of Health, and to produce an effluent of quality satisfactory to the State of Health and any and all other public authorities having jurisdiction thereof. No Owner or tenant shall erect or construct any septic tank or individual sewerage disposal system on any Lot.

(b) No private water wells may be drilled or maintained on any Lot, except as hereinafter set forth. The Utility shall lay and maintain water lines accessible to each Lot so as to properly service each Lot with potable water and the Utility will maintain sufficient pressure on said water lines so that users may have ample supply at all times subject only to acts of God or other conditions beyond the control of the Utility. The Utility shall have the exclusive right and duty to service the Lots and improvements constructed thereon which are the subject of these provisions, and the Lot and Owners shall be obligated to use the same and no other. Each Owner may drill a well, assuming it complies with all governmental requirements and regulations, if the sole purpose for said well is to provide water for lawn, swimming pools, ornamental shrubs, outdoor plantings, heat pumps or air conditioning units.

(c) In the event of any violation of this Section 10, the Developer or the Utility may prosecute proceedings in law or in equity against the person(s) violating these provisions and shall be entitled to all available remedies for such violations.

For corner Lots, no fence or wall shall extend beyond the rear corner of the House. On lake lots (as hereinafter defined) no fence shall be placed beyond the top of bank. Fences fronting lakes, creeks or other wetlands shall be no higher than four (4) feet and shall be constructed of shadowbox or an approved wooden spindle fence.

the manner and to the extent provided in such agreement. In the event that any such agreement shall be executed and recorded as provided for in this paragraph, these original covenants and restrictions as therein modified, shall continue in force for successive periods of 25 years, unless and until further changed, modified, waived or extinguished in the manner provided in this paragraph. Any person or persons, including, without limitation, the Association, Developer or any Owner having rights hereunder who shall bring an action to enforce these Covenants and Restrictions, shall in addition to injunctive relief and damages for the breach or violation of any provision hereunder, be entitled to recover reasonable attorneys' fees and all costs incurred in the investigation preliminary to the institution of proceedings, as well as the cost of institution and prosecution of such proceedings through the entry of judgment and any successful appeal therefrom.

Section 26. Severability.
