OF  
COVENANTS AND RESTRICTIONS  
FOR  
PALENCIA RESIDENTIAL LOTS**

**THIS DECLARATION** is made this 15 day of OCTOBER, 2001, by **MARSHALL CREEK, LTD.**, a Florida limited partnership (the "Developer"), which declares that the real property described on Exhibit A attached hereto and made a part hereof (the "Property"), which is owned by the Developer, shall be held, transferred, sold, conveyed and occupied subject to the covenants, restrictions, easements, charges, liens and all other matters set forth in this Declaration which shall be deemed to be covenants running with the title to the Property and shall be binding upon the Developer and all parties having or acquiring any right, title or interest in the Property or any part thereof.

**ARTICLE I  
MUTUALITY OF BENEFIT AND OBLIGATION**

Section 1.1 **Mutuality.** The covenants, restrictions, and agreements set forth in this Declaration are made for the mutual and reciprocal benefit of every parcel within the Property, and are intended to create mutual equitable servitudes upon each such parcel in favor of the other parcels, to create reciprocal rights among the respective Owners, and to create privity of contract and an estate between the grantees of each and every parcel within the Property, their heirs, successors and assigns.

Section 1.2 **Benefits and Burdens.** Every person who is an Owner does by reason of taking title to land located within the Property agree to all the terms and provisions of this Declaration and shall be entitled to its benefits and subject to its burdens.

Developer may assign all or only a portion of such rights in connection with portions of the Property. In the event of such a partial assignment, the assignee may exercise such rights of the Developer as are specifically assigned to it. Any such assignment may be made on a non-exclusive basis. Reference in this Declaration to Marshall Creek, Ltd. as the Developer of the Property is not intended and shall not be construed, to impose upon Marshall Creek, Ltd. any obligations, legal or otherwise, for the acts or omissions of third parties who purchase lots or parcels within the Property from Marshall Creek, Ltd. and develop and resell the same.

Section 2.5 **Limited Common Area.** The Limited Common Area of a Lot shall consist of the portion of the Property between the front Lot line and the nearest edge of the paved road surface (as it may exist from time to time) and between the rear Lot line and the nearest shore line of any lake contiguous to or within forty (40) feet of the Lot, within the area bounded by the extension of the side Lot lines, together with any portion of the Property contiguous to a Lot which, as a result of the natural configuration of the Property, is primarily of benefit to such Lot. Any question concerning the boundary of a limited common area shall be determined by the Board of Directors of the Association.

Declaration, and (c) that the only manner in which additional land may be subjected to this Declaration is by the procedure set forth in Section 3.2 hereof.

**Section 3.2 Additional Lands.** Developer may, but shall not be obligated to, subject additional land to this Declaration from time to time provided only that (a) any additional land subjected to this Declaration shall be located within the development area generally known as Palencia; and (b) the Owners of property within additional lands made subject to this Declaration shall be and become subject to this Declaration, and shall be responsible for their pro rata share of common expenses for which assessments may be levied pursuant to the terms of the Master Declaration. Addition of lands to this Declaration shall be made and evidenced by filing in the public records of St. Johns County, Florida, a Supplementary Declaration executed by the Developer with respect to the lands to be added. Developer reserves the right to supplement this Declaration to add land to the scheme of this Declaration pursuant to the foregoing provisions without the consent or joinder of any Owner or mortgagee of land within the Property.

#### **ARTICLE IV** **EXTERIOR MAINTENANCE ASSESSMENT**

**Section 4.1 Exterior Maintenance.** The Association may provide maintenance upon any Lot or Limited Common Area requiring same, when necessary in the opinion of the Association's Board of Directors to preserve the beauty, quality, or value of any or all portions of the Property. Such maintenance shall include but not be limited to painting, roof repair and replacement, repair of gutters, downspouts, and exterior building surfaces, and yard clean-up and yard maintenance. Each affected Owner shall have five (5) days within which to perform the required maintenance after being notified in writing by the Association that such maintenance is necessary before the Association undertakes the maintenance.

**Section 4.2 Assessments of Costs.** The cost of any maintenance undertaken by the Association under the provisions of Section 4.1 shall be assessed against each Lot upon which such maintenance is performed or, in opinion of the Board, benefitting from same. Exterior maintenance assessments shall not be considered a part of the annual or special assessments imposed upon the Property pursuant to Article VI of the Master Declaration. Any exterior maintenance assessment shall be a lien upon each Lot assessed and the personal obligation of the Owner of each such Lot and shall become due and payable in all respects, together with interest, attorneys fees, and costs of collection, as provided for in Section 5.5, and shall be subordinate to mortgage liens to the extent provided by the Master Declaration.

Section 4.3 **Access.** For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after the notice to the Owner provided under Section 4.1, to enter upon any Lot at reasonable hours on any day except Sunday. In the case of emergency repairs, access will be permitted at any time with only such notice as under the circumstances is practically affordable.

**ARTICLE V**  
**USE RESTRICTIONS AND RIGHTS AND**  
**EASEMENTS RESERVED BY DEVELOPER**

Section 5.1 **Residential Use.** The Lots subject to this Declaration may be used for residential dwellings and associated uses, and for such other purposes as may be permitted under this Section 5.1. Such Lots may be used for model homes during the development and sale of Lots within the Property or Palencia generally, and commercial uses shall be limited to those uses that are (i) permissible under the PUD (as such term is defined in the Master Covenants); and (ii) expressly authorized in writing by the Developer, in its sole discretion. No Lot shall be divided, subdivided or reduced in size without the prior written consent of the Developer. Assessments for common expenses attributable to any Lot which may be subdivided pursuant to this Section 5.1 shall be reallocated by the Developer, in its sole discretion, at the time written consent for such subdivision is given by the Developer.

Section 5.2 **Lot Coverage and Living Area.** The maximum ground area to be occupied by residential buildings and structures to be constructed upon the Lots and the minimum square footage of heated and air conditioned space within single family residences to be constructed thereon shall be as stated in the architectural criteria adopted by the Developer or the Association as applicable, pursuant to the terms of the Master Covenants.

Section 5.3 **No Detached Buildings.** No garages, tool or storage sheds, tents, trailers, tanks, temporary or accessory buildings or structures shall be erected or permitted to remain on any Lot without the prior written consent of the Developer.

Section 5.4 **Setbacks.** The building setbacks applicable to the Lots and the method of measurement thereof shall be as stated in the architectural criteria adopted by the Developer or the Association, as applicable, pursuant to the terms of the Master Declaration.

Section 5.5 **Landscaping.** Landscaping shall be installed on each Lot as stated hereafter.

5.5.1 A detailed landscaping plan for each Lot and Limited Common Area appurtenant thereto must be submitted to and approved by the Developer at the time of initial construction of a residence on such Lot. All plant material shall be of Florida Grade Number One or better. Maximum utilization of existing trees and shrubs, and natural landscaping techniques shall be encouraged. Sodding with St. Augustine, Bermuda or Paspalum grass varieties only will be required on all yards. No seeding and/or sprigging shall be permitted. An underground automatic

sprinkler system of sufficient size and capacity to irrigate all sodded and landscaped areas must be installed and maintained in good working order on all Lots. All Lots and appurtenant Limited Common Areas that are not landscaped or left in a natural wooded state shall be sodded and irrigated to the paved roadway and/or lake's edge where such Lot abuts a roadway and/or lake.

5.5.2 A minimum of fifty percent (50%) of all shrub material used in landscaping each Lot shall be drought resistant or native to the Southeastern Atlantic coastal plain. Preservation of existing, native plants shall be encouraged.

5.5.3 Subsequent to approval by the Developer of landscaping plans submitted pursuant to Section 5.5.1 above, the Owner shall be obligated to complete the landscaping of his Lot and Limited Common Area in accordance with such plans and Section 5.5.1 above, within fifteen (15) days following the issuance of a Certificate of Occupancy for the residence constructed on the Lot by the Building Department of St. Johns County, Florida, or other governmental authority having jurisdiction. In the event the landscaping is not completed as provided herein, the Developer shall have the right to enter the Lot and complete said landscaping in accordance with the approved plans, in the same manner as exterior maintenance may be performed by the Association pursuant to Article V of this Declaration. The Developer shall be entitled to a lien against the Lot in an amount equal to one hundred ten percent (110%) of the cost to complete landscaping on such Lot and Limited Common Area, which sum may be collected in the same manner as assessments are collected pursuant to Article VI of the Master Declaration.

Section 5.6 **Motor Vehicles and Boats.** No boats, recreation vehicles or other motor vehicles, except four wheel passenger automobiles, shall be placed, parked or stored upon any Lot, nor shall any maintenance or repair be performed upon any boat or motor vehicle upon any Lot, except within a building, or otherwise screened, so as to be totally isolated from public view. Commercial vehicles shall not be parked within the Property within public view on a regular basis. Construction trailers may be parked only with the prior written consent of the Developer and in an area designated by the Developer.

Section 5.7 **Nuisances.** Nothing shall be done or maintained on any Lot which may be or become an annoyance or nuisance to any party. Any activity on a Lot which interferes with television, cable or radio reception on another Lot shall be deemed a nuisance and a prohibited activity. If a dispute or question arises as to what may be or become a nuisance, the issue shall be submitted to the Association's Board of Directors, whose decision shall be dispositive of such dispute or question. No immoral, improper or unlawful use shall be made of any portion of the Property and all valid laws, zoning ordinances and regulations of governmental agencies having jurisdiction thereof shall be complied with.

Section 5.8 **Antenna.** The installation of all aerials, antennae or satellite dishes shall be subject to the approval of the Developer in accordance with architectural criteria imposed by the Developer or the Association from time to time.

Section 5.9 **Lakes.** Only the Developer, the Association and the CDD shall have the right to pump or otherwise remove any water from any lake adjacent to or near to the Subdivision for the purpose of irrigation or other use, or to place any refuse in such lake or lakes. The Developer, the Association and the CDD shall have the sole and absolute right (but no obligation) to control the water level of such lake or lakes and to control the growth and eradication of plants, fowl, reptiles, animals, fish and fungi in or on any such lake. No gas or diesel driven boat shall be permitted to be operated on any lake. Lots which now or may hereafter be adjacent to or include a portion of a lake (the "lake parcels") shall be maintained so that such grass, planting or other lateral support to prevent erosion of the embankment adjacent to the lake and the height, grade and contour of the embankment shall not be changed without the prior written consent of the Association. Further, all shoreline vegetation, including cattails and the like, shall be maintained and controlled by the Owner of any lake parcel pursuant to the requirements of Section 5.16 hereof. If the Owner of any lake parcel fails to maintain the embankment or shoreline vegetation as part of its landscape maintenance obligations in accordance with the foregoing, the Association shall have the right, but no obligation, to enter upon any such lake parcel to perform such maintenance work which may be reasonably required, all at the expense of the Owner of such lake parcel pursuant to the provisions of Article V of this Declaration. Title to any lake parcel shall not include ownership of any riparian rights associated therewith. No docks, bulkheads or other structures shall be constructed on such embankments unless and until same shall have been approved by the Developer. The Association shall have the right to adopt reasonable rules and regulations from time to time in connection with use of the surface waters of any lake adjacent to or nearby the Subdivision. The Association shall have the right to deny such use to any person who in the opinion of the Association may create or participate in the disturbance or nuisance on any part of the surface waters of any such lake. The use of the surface waters of any such lake shall be subject to rights granted to other persons pursuant to the rules and regulations of the Association.

Section 5.10 **Insurance and Casualty Damages.** Each Owner shall be required to obtain and maintain in force and effect a policy of fire and other casualty insurance with coverage adequate to cover the full replacement cost of the dwelling and other improvements located on the Owner's Lot. In the event of damage or destruction by fire or other casualty to the improvements on any Lot, the Owner shall commence reconstruction of the improvements within six (6) months from date of casualty and shall repair or rebuild such damaged or destroyed improvements in a good workmanlike manner, within a reasonable time not to exceed one year and in accordance with the provisions of this Declaration. The improvements shall be reconstructed in accordance with the original plans and specifications including color scheme, placement on Lot and materials. All debris must be removed immediately and the Lot shall be restored to an orderly condition within a reasonable time not to exceed sixty (60) days from the date of such damage or destruction.

Section 5.11 **Trees.** No tree or shrub, the trunk of which exceeds six (6) inches in diameter one (1) foot above the ground, shall be cut down, destroyed or removed from a Lot without the prior express written consent of the Developer.

Section 5.12 **Artificial Vegetation.** No artificial grass, plants or other artificial vegetation shall be placed or maintained upon the exterior portion of any Lot, unless approved by the Developer.

Section 5.13 **Signs.** No sign of any kind shall be displayed to the public view on any Lot except as may be approved as to size and design and in accordance with criteria established by the Developer.

Section 5.14 **Lighting.** No lighting shall be permitted which alters the residential character of the Subdivision.

Section 5.15 **Animals.** Dogs shall be kept under control by each Owner at all times and leashed when outside the boundaries of the Owner's Lot. Animals shall be kept for the pleasure of Owners only and not for any commercial or breeding use or purposes. If, in the discretion of the Board, any animal shall become dangerous or an annoyance or nuisance to other Owners, or destructive of wildlife or property, such animal may not thereafter be kept on a Lot. Further, in the event any group of animals shall collectively become dangerous or an annoyance or nuisance to other Owners, or destructive to wildlife or property, the Board shall have the right to require the applicable Owner to reduce the number of animals kept on the Lot, or to take such other remedial action as the Board shall specify.

Section 5.16 **Maintenance of Lots and Limited Common Areas.** No weeds, underbrush or other unsightly vegetation shall be permitted to grow or remain upon any Lot or Limited Common Area, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere within the Property. All Lots and all portions of the Property and any improvements placed thereon, shall at all times be maintained in a neat and attractive condition and landscaping shall be maintained in a neat, attractive and orderly manner, including maintenance of grass, plants, plant beds, trees, turf, proper irrigation and lake edge maintenance, all in a manner with such frequency as is consistent with good property management. In order to implement effective control, the Association, its agents and assigns, shall have the right to enter upon any Lot for the purpose of mowing, pruning, removing, clearing, or cutting underbrush, weeds or other unsightly growth and trash which in the opinion of the Board distracts from the overall beauty and safety of the property in accordance with the provisions of Article V hereof. During construction upon any Lot, any and all vehicles involved in the construction or delivery of materials and supplies to the site shall enter and exit the site only over the driveway or driveway subsurface and shall not park on any roadway or any Property other than the Lot on which construction is proceeding. During construction of the dwelling or other improvements, the Owner will be required to maintain his Lot in a clean condition, providing for trash and rubbish receptacles and disposal. Construction debris shall not be permitted to remain upon any Lot.

Section 5.17 **Fences.** Except as approved by the Developer pursuant to the Master Declaration, no fence, wall or other barrier shall be constructed upon any Lot or any other portion of the Property.

Section 5.18 **Maintenance of Driveways.** Each Lot Owner shall be responsible for maintenance of the driveway serving his Lot.

## **ARTICLE VI** **GENERAL PROVISIONS**

Section 6.1 **Remedies for Violations.** All of the provisions of this Declaration shall be enforceable in the manner provided by Article X of the Master Declaration, which Article is hereby incorporated by reference herein.

Section 6.2 **Severability.** Invalidation of any of the provisions of this Declaration by judgment or court order shall not affect or modify any of the other provisions, which shall remain in full force and effect.

Section 6.3 **Additional Restrictions.** No Owner, without the prior written consent of the Developer, may impose any additional covenants or restrictions on any part of the Property, but the Developer may include in any contract or deed hereafter made and covering all or any part of the Property, any additional covenants or restrictions applicable to the Property so covered which are not inconsistent with and which do not lower standards established by this Declaration.

Section 6.4 **Titles.** The addition of titles to the various sections of this Declaration are for convenience and identification only and the use of such titles shall not be construed to limit, enlarge, change, or otherwise modify any of the provisions hereof, each and all of which shall be construed as if not entitled.

Section 6.5 **Termination or Amendment.** The covenants, restrictions, easements and other matters set forth herein shall run with the title to the Property and be binding upon each Owner, the Developer, the Association, and their respective successors and assigns for a period of fifty (50) years, and shall be automatically renewed for successive ten (10) year periods unless terminated as herein provided. The Owners holding two-thirds (2/3) or more of the total votes of the Association may alter, amend or terminate these covenants provided, however, that so long as the Developer owns any land within the Property or owns any property contiguous to the Property, no such termination or amendment shall be effective without the written consent and joinder of the Developer. Further, until such time as the Developer shall not own any lands subject to this Declaration, the Developer shall have the unilateral right to amend this Declaration without the consent or joinder of any other party in any manner which does not materially and adversely affect the value of any Lot or other building parcel located within the Property. Any such amendment to this Declaration shall be executed by the Association and Developer, if applicable, and shall be recorded in the current public records of St. Johns County, Florida.

Section 6.6 **Conflict or Ambiguity in Documents.** To the extent of any conflict, ambiguity, or inconsistency between this Declaration, the Articles, or the Bylaws, the terms of this Declaration shall control both the Articles and Bylaws.
