**DECLARATION OF CONDOMINIUM FOR  
TIDEWATER TOWN CENTER CONDOMINIUM**

THIS DECLARATION OF CONDOMINIUM is made as of the 28th day of June, 2007 (the "Declaration") by PULTE HOME CORPORATION, a Michigan corporation, having a mailing address of 5210 Belfort Road, Suite 400, Jacksonville, Florida 32256 (the "Developer"), for and on behalf of the Developer, its successor, assigns and grantees.

The Developer, being the owner of fee simple title of record to those certain lands located and situate in St. Johns County, Florida, being more particularly described in **Exhibit "A"** attached hereto, does hereby submit the land and improvements to condominium ownership pursuant to the provisions of Chapter 718 of the Florida Statutes, hereinafter referred to as the "Condominium Act", as amended from time to time.

**ARTICLE 1  
NAME AND DESCRIPTION OF CONDOMINIUM PROPERTY**

The name by which this condominium is to be identified is:

**TIDEWATER TOWN CENTER CONDOMINIUM** (the "Condominium")

**1.1 Description of Condominium**

(a) This Condominium shall be developed in phases pursuant to Section 718.403, Florida Statutes, with Phase 1 consisting of the real property legally described and the units in the building and other improvements as shown on **Exhibit "A"** attached hereto, being submitted to the Condominium form of ownership by this Declaration. The Units in Phase 1 of this Condominium shall own a fractional, undivided interest in the Common Elements and be responsible for a fractional share of the Common Expenses of this Condominium as set forth in **Exhibit "B"** attached hereto. Upon Completion of the building in Phase 1, a surveyor's certificate will be recorded certifying that the building, all Units within the building and their appurtenant Common Elements are substantially complete.

(b) The impact, if any, which the completion of any subsequent phases would have upon the initial phase would be to increase the number of residents in the general area, decrease the fractional share ownership per Unit of the Common Elements and fractional share obligations of the Common Expenses and increase the size of the Common Elements.

(c) If the Developer determines to construct the remaining phases (the "Subsequent Phases"), the must be completed within seven (7) years of the date of the recording of this Declaration. In no event shall any phases be added or Units constructed seven (7) years after the date of recording of this Declaration. All improvements in any Subsequent Phase must be substantially completed prior to annexation to the Condominium.

(d) Should the Developer decide, in its sole and absolute discretion, to add any of the proposed Subsequent Phases to this Condominium pursuant to Section 718.403, Florida Statutes, then any such proposed Subsequent Phase shall consist of the real property legally described and the Units in the buildings and other improvements as shown on **Exhibit "A-1"** attached hereto, subject to the Developer's right to make non-material changes to said legal descriptions as set forth in Section 16.7 below. Phase 1 is described in Section 1.2(a)(i) below. The other Phases, if added, will consist of the number of Units as described in Section 1.2(a)(ii) below.

1.2 Description of Phases

(a) The number, minimum, maximum and general size of Units to be included in each Phase are as follows:

(i) Phase 1 of the Condominium, when constructed, will consist of forty (40) units in one (1), four (4) story building, which contains a maximum of one thousand five hundred eighty (1,580) square feet and a minimum of one thousand twenty-four (1,024) square feet of heated and air conditioned space and a minimum of two (2) bedrooms and maximum of three (3) bedrooms and a minimum and maximum of two (2) bathrooms.

(ii) If constructed, Phases 2 through 4 of the Condominium will each consist of one (1), four (4) story building, which contains a maximum of one thousand five hundred eighty (1,580) square feet and a minimum of one thousand twenty-four (1,024) square feet of heated and air conditioned space and a minimum of two (2) bedrooms and maximum of three (3) bedrooms and a minimum and maximum of two (2) bathrooms.

1.3 Fractional Shares

(a) Each Unit's fractional ownership in the Common Elements shall be equal to all other Units. As each Phase is added, each Unit shall own a fractional share in the Common Elements, Common Surplus and obligation for Common Expenses represented by a fraction, the numerator of which shall be one (1) and the denominator of which shall be the total number of Units declared to Condominium ownership in the Condominium, as set forth on Exhibit "B" attached hereto.

(b) The ownership of the Common Elements attributable to each Unit would be that Unit's fractional share ownership, as set forth in Section 1.3(a) and Exhibit "B". If any phase or phases are not developed and added as part of this Condominium, said fraction shall remain as provided in Section 1.3(a) for the phases built and submitted to the condominium form of ownership. If one or more phases are not built, the Units which are built are entitled to one hundred percent (100%) of ownership of all the Common Elements within the phases actually developed and added as part of the Condominium.

(c) The Developer shall notify owners of existing Units of any decision not to add one or more additional phases. Notice shall be by first class mail addressed to each owner at the address of the Unit or at their last know address.

1.4 Vote Allocation

Each Unit is entitled to one (1) vote in the Association.

1.5 Addition of Subsequent Phases

(a) Subsequent Phases may be added to this Condominium by the execution of an amendment to this Declaration by the Developer only, and such amendment shall not require the execution or consent of any Unit Owners other than the Developer. Such phases may be added out of sequence and any phase can be recorded in any order depending on when a particular phase is substantially completed. At the time of annexation of a Subsequent Phase, all improvements within the Phase shall be substantially complete.

(b) No Subsequent Phases, other than those described herein, may be added to the existing Condominium without the prior written consent of HUD, VA and FNMA, if applicable. Such

consent will not be unreasonably withheld if the Subsequent Phase to be added substantially conforms to a plan of expansion which has been fully described in this Declaration.

1.6 Additional Land or Facilities

(a) The Developer is not required to convey any additional land or facilities to the Condominium after the completion of Phase 1 of the Condominium, nor is the Developer obligated to construct the Subsequent Phases. Therefore, notwithstanding anything herein to the contrary, no portion of the Subsequent Phase Land shall:

(i) be encumbered or in any way affected by this Declaration, or

(ii) be part of the Condominium unless and until such portion of the Subsequent Phase Land is added to the Declaration by recordation of an amendment in the public records of the County, which Amendment is signed by the Developer.

(b) The Developer shall have the right, at any time, to develop the Subsequent Phase Land as a different condominium with different size units or density of units or with any other type of residential dwelling unit. There is no guaranty that any adjacent development will be consistent with the design of Phase 1 of the Condominium. If the Subsequent Phase Land is not annexed into the Condominium, such Subsequent Phase Land owners shall have ingress and egress rights over the Condominium Property and shall have the right to use the amenities and the facilities on the Condominium Property, upon payment of their pro-rata share of such expenses.

1.7 Time Share

Time share estates shall not be a part of this Condominium.

1.8 Sales Office

During the construction of this Condominium and any subsequent Phase, the Developer shall have the right to use any portion of the Condominium Property, including the Common Elements, but not the Units which have been conveyed to a Unit Owner, for the construction, marketing and sale of Units.

EASEMENTS AND RESERVATIONS**

Easements are expressly provided for and reserved in favor of the Unit Owners, their lessees, their guests and invitees, and the Association and their respective successors and assigns, as follows:

#### 4.1 Utilities.

(a) Easements are reserved through the Condominium Property as may be required for utility service (including but not limited to cable TV) in order to serve the specific Condominium Property and Condominium Parcel, however, such easements shall be only in accordance with the plans and specifications for the building and improvements, or as the building or improvements are actually constructed, unless approved in writing by the Board of Directors and the affected Unit Owners. Further, it is understood and acknowledged that other properties adjacent to the Condominium may connect to the utility systems within the Condominium.

(b) Sonoc Company LLC (Developer's predecessor in title) has reserved for itself and its officers, employees, agents, invitees, contractors and subcontractors, and successors and assigns, easements over and across the Condominium Property for access to and installation and maintenance of utility lines and equipment, including, but not limited to, water, sewer, electric, gas, telephone, telecommunications lines and equipment serving Nocatee as a whole, or substantial portions of Nocatee, recognizing such services may apply to less than Nocatee as a whole to the extent service territories are bifurcated by franchise or similar service boundaries. Sonoc Company LLC has also reserved the right unto itself and its successors and assigns, to the extent permitted by law, to select the service provider(s) of cable television, telephone, data and other telecommunications or information services for the Condominium Property, with the power to assign same to such service provider(s), over, across, under and through the Condominium Property and common areas for purposes of installing, maintaining, repairing, replacing and/or reconstructing all lines and facilities relating, directly or indirectly, to such services provided to the Condominium Property or to other adjacent communities. Each Owner hereby consents to any such determination of service made by Sonoc Company LLC, the results of which may include payment for such services to agreement through assessments levied against the Units and reservation of the right to require certain wiring specifications to be incorporated into Units or any facilities constructed upon the Condominium Property.

#### 4.2 Encroachments.

In the event that any Unit shall encroach upon any of the Common Elements or upon any other Unit for any reason other than the intentional or negligent act of the Unit Owner, or in the event any Common Element shall encroach upon any Unit, then an easement shall exist to the extent of such an encroachment so long as the same shall exist.

#### 4.3 Traffic.

A non-exclusive easement shall exist for pedestrian traffic over, through and across sidewalks, paths, walks, and other portions of the Common Elements as may be from time to time intended and designated for such purpose and use; and for vehicular and pedestrian traffic over, through and across such portions of the Common Elements as may from time to time be paved and or otherwise intended for purposes of ingress, egress and access to the public ways and for such other purposes as are commensurate with need, and such easement or easements shall be for the use and benefit of the Unit Owners of the Condominium Property, and those claiming by, through or under the aforesaid Unit Owners; provided, however, nothing herein shall be construed to give or create in any person the right to park upon any portion of the Condominium Property except to the extent that space may be specifically designated for parking purposes.

#### 4.4 Easements and Reservations for Developer for Ingress, Egress and Utilities.

(a) There is reserved in the Developer, its successors and assigns, the right to create utility easements and to install utilities and to use same over and across the land declared to

condominium ownership hereunder for the benefit of the Developer, its successors and assigns and any designated provider of such utility services. Such right to create and install and use utilities shall not encumber or encroach upon any Unit or impair the exclusive use and ownership of any Unit. There is reserved in the Developer the right of ingress and egress over all of the Condominium.

(b) The Developer further reserves for itself, its successors, nominees and assigns, a perpetual nonexclusive easement for the installation, maintenance, operation and connection of utilities and for stormwater drainage over and across the Condominium Property. The Developer further reserves the right to terminate the rights created by this Section, which termination shall not require the consent of any person(s) and shall automatically be exercised at such time as Developer records a Notice of Termination regarding the rights created by this Section among the public records of the County. As of the date hereof, Developer is the fee simple owner of all of the Condominium. However, it is Developer's intent that the rights created by this Section not merge with Developer's fee simple interest in the Condominium; instead, Developer, shall be entitled to exercise the rights created by this Section, until such rights are terminated by Developer as provided above.

#### 4.5 Reservation in the Developer to Use Facilities for Sale, Marketing, and Advertising of Units.

It is contemplated that the Developer will construct and market all Units. There is hereby reserved in the Developer, its successors and assigns, the right to use the Units (including Units designated as a sales office and/or model Unit) and all recreational facilities for the marketing, sale, and advertising of all Units constructed. For so long as the Developer owns an interest in the Community with the intention to sell Units and for a period running one (1) year from such date, the Association and the Association's management company is prohibited from restricting access to the Community by agents or sales prospects. This reservation is made notwithstanding the use restrictions set forth in Article 12, and such reservation is intended with respect to the Developer, its successors and assigns, to be superior to such use restriction in Article 12. Such reservation shall continue for so long as the Developer, its successors and assigns, shall own any land within the Community with the intention to sell Units to the public. Notwithstanding anything to the contrary in this Declaration, Developer may maintain a model and sales center on the Condominium Property for a period of one (1) year following the date of sale of the last Unit owned by the Developer, which model and sales center may be used for the purpose of marketing other properties owned or developed by Developer

#### 4.6 Easement through Interior Walls, Ceilings and Under Units.

The Association and adjoining Unit Owners shall have easements in and through all interior walls through the area between the ceiling and the roof and under the Units as necessary for the installation, maintenance and repair of pipes, weirs and other conduits within said walls, ceilings or under the Units as required to provide utilities services to Units in the Condominium. Any damage to a Unit in gaining access to any such conduit shall be repaired by the person or entity responsible for repairing the conduit in question.

#### 4.7 Permits, Licenses and Easements over Common Elements.

In addition to the rights of the Developer, the Association shall have the right to grant permits, licenses and easements over the Common Elements for the installation, moving, and terminating of easements for utilities, roads and other purposes necessary for the operation of the Condominium.

#### 4.8 Recorded Easements and Licenses.

The Condominium Property shall be subject to all easements and licenses as shown on any recorded plat affecting the Condominium Property and to any other easements or licenses of record or of use as of the date of recordation of this Declaration. The recording data for all presently recorded easements and licenses appurtenant to or included in the Condominium have been set forth on Exhibit "A" attached hereto. In addition, the Condominium Property is subject to all easements created or permitted by this Declaration.

#### 4.9 Easement for Warranty Purposes.

For as long as Developer remains liable under any warranty, whether statutory, express or implied, for act or omission of Developer in the development, construction, sale and marketing of the Condominium, then Developer and its contractors, agents and designees shall have the right, in Developer's sole discretion and from time to time and without requiring prior approval of the Association and/or any Unit Owner (provided, however, that absent an emergency situation, Developer shall provide reasonable advance notice), to enter the Condominium Property, including the Units, Common Elements and Limited Common Elements, for the purpose of inspecting, testing and surveying same to determine the need for repairs, improvements and/or replacements, and effecting same, so that Developer can fulfill any of its warranty obligations. The easements reserved in this Section shall expressly survive the transfer of control of the Association to Unit Owners other than the Developer and the issuance of any certificates of occupancy for the Condominium Property (or portions thereof).

#### 4.10 Road Drainage Easement.

The Condominium Property is subject to a road drainage easement by and between Pulte Home Corporation and Tolomato Community Development District recorded on October 21, 2005 in Official Records Book 2565, page 1169 in the Public Records of St. Johns County, Florida in favor of the CDD (the "Road Drainage Easement"). The Road Drainage Easement shall provide (i) for drainage of certain portions of the South Perimeter Loop Road over certain pond improvements, (ii) for the construction by Developer of a system of stormwater pipes to serve such road and the Condominium Property, and (iii) for maintenance of the pond by the CDD and maintenance of the stormwater pipes by Developer.

#### 4.11 Reuse and Irrigation Easement.

The Condominium Property is subject to a reuse and irrigation easement by and between Pulte Home Corporation and Tolomato Community Development District recorded on October 21, 2005 in Official Records Book 2565, page 1182 in the Public Records of St. Johns County, Florida, in favor of the CDD (the "Reuse and Irrigation Easement"). The Reuse and Irrigation Easement shall provide the CDD with an easement over the pond and the portion of the Condominium Property crossed by certain reuse and irrigation improvements to add reuse water to the pond and to withdraw stormwater and reuse water from such pond for irrigation of other property in the DRI.

#### 4.12 Nocatee DRI.

The Condominium Property is part of a master planned community known as Nocatee, the development of which is authorized by a development order pursuant to Resolution No. 2001-30 (the "DRI") and Planned Unit Development Ordinance No. 2002-46 (the "PUD") approved by the County Commission of St. Johns County, each as may be amended. The Condominium Property is subject to the terms and conditions of the DRI and the PUD, as amended from time to time.

**ARTICLE 5  
UNIT BOUNDARIES**

Each Unit shall include that part of the structure containing the Unit that lies within the boundaries of the Unit, which boundaries are as follows:

**5.1 Unit Boundaries.**

(a) The upper and lower boundaries of the Unit shall be the following boundaries extended to an intersection with the parametrical boundaries:

- (i) Upper Boundaries - The lowest surface of the unfinished ceilings of the Unit.
- (ii) Lower Boundaries - The highest surface of the unfinished floors of the Unit.

(b) The parametrical boundaries of the Unit shall be the vertical planes established by the unfinished interior of the walls, doors and windows bounding the Unit extending to the intersections with each other and with the upper and lower boundaries; and where there is attached to the Unit a patio or balcony and so designated on the plot plan and/or floor plans, it shall not be considered a part of the Unit to which it is attached and shall be considered a Limited Common Element for the exclusive use of the Unit to which it is attached. Each Owner acknowledges that there are two generally accepted methods of measuring the boundaries of units in residential condominiums. The first method is based on the description of the boundaries of the Unit, as set forth in this Declaration and only includes the airspace within a unit (the "Parametrical Method" and/or "Engineering Method"). The other method, which measures a unit to the outside finished surface of exterior walls, and to the centerline of interior demising walls, includes portions of the adjacent common elements of the Condominium (the "Architectural Method"). The square footage estimate of a unit derived using the Architectural Method is greater than the square footage estimate derived using the Parametrical Method/Engineering Method. The Architectural Method is generally used in sales materials and is provided to allow a prospective buyer to compare the Units with units in other condominium projects that utilize the Architectural Method.

(c) Each Unit Owner shall not own the undecorated or unfinished surfaces of the perimeter walls, floors, and ceilings surrounding his Unit, nor shall he own pipes, wires, conduits or other utility lines running through his Unit which are utilized for or serve more than one Unit, which items are hereby made a part of the Common Elements. Said Unit Owner, however, shall own the walls and partitions which are contained within his Unit and inner decorated or finished surfaces of the perimeter walls, floors and ceilings, including plaster, paint and wallpaper.

(d) Each Unit shall be identified by the use of a letter, number, or any combination thereof, all of which are graphically described in **Exhibit "A"** attached hereto and made a part hereof.

**ARTICLE 6  
APPURTENANCES TO UNITS**

**6.1 Appurtenances.**

There shall pass with each Unit as appurtenances thereto the following:

(a) The Owner of each Unit shall own an undivided share and interest in the Condominium Property, which shall include an undivided share in the Common Elements and Common Surplus, the exclusive right to use the portion of the Common Elements as provided herein,

the easements herein provided, and the right of exclusive use of his Unit subject to the rights of the Association, which share and interest shall be appurtenant to the Unit, said undivided interest in the Condominium Property and the Common Elements and Common Surplus being as designated and set forth in **Exhibit "B"** attached hereto and made a part hereof.

(b) An exclusive easement for the use of the air space occupied by the Unit as it exists at any particular time and as the Unit may lawfully be altered or reconstructed from time to time, which easement shall be terminated automatically in any air space which is vacated from time to time.

(c) Membership of the Unit Owner in the Association, and the right to use the Common Elements and to access the Common Elements, subject to the rules and regulations as adopted from time to time by the Association.

(d) A perpetual, non-exclusive easement for ingress and egress by the Unit Owners, their families, guests, tenants, servants, agents, invitees and lessees over streets, walks, and other rights-of-way, serving the Units of the Condominium, necessary to provide reasonable access to the public ways and for unassigned parking of permitted vehicles within the designated parking areas.

(e) An exclusive easement for the use of such Limited Common Elements as may be designated in this Declaration or in the deed conveying the Unit.

6.2 Limited Common Elements.

Each Unit shall have an exclusive use right for Limited Common Elements as follows:

(a) Patios, Lanais and/or Balconies. The patios, lanais and balconies appurtenant to a Unit are Limited Common Elements of the Units having direct and exclusive access thereto.

(b) Air Conditioning and Heating Units. That portion of the air conditioning and heating unit appurtenant to, but located outside of a Unit is a Limited Common Element of the Unit.

**ARTICLE 7  
MAINTENANCE, ALTERATION AND IMPROVEMENT**

Responsibility for the maintenance of the Condominium Property, and restrictions upon its alteration and improvement shall be as follows:

7.1 Units.

(a) By The Association. The Association shall maintain, repair and replace at the Association's expense:

(i) All Common Elements and Limited Common Elements, except as provided in Section 7.1(b)(i).

(ii) All portions of a Unit contributing to the support of the building, except interior surfaces, which portions shall include but not be limited to load-bearing columns, load-bearing walls and roofs.

(iii) All conduits, ducts, plumbing, wiring, and other facilities for the furnishing of utility services serving more than one (1) Unit.

(iv) All incidental damage caused to a Unit by reason of maintenance, repair and replacement accomplished pursuant to the provisions of Sections 7.1(a)(i), (ii) and (iii) above.

(v) The Association shall clean the exterior windows at such times the Board deems it necessary.

(vi) The Association shall repair any leaks which are not accessible to the Unit Owner once per year.

(vii) The Association shall maintain all lighting fixtures in the building hallways near the front door of each Unit.

(b) By The Unit Owner. The responsibility of the Unit Owner for maintenance, repair and replacement shall be as follows:

(i) To maintain, repair and replace at the Unit Owner's expense all portions of the Unit, including, but not limited to, the water heater, air handlers and the air conditioning and heating unit which services the Unit Owner's Unit. Included within the responsibility of the Unit Owner shall be all windows, screens and doors opening into or onto the Unit, sliding glass doors opening into or onto the Unit, carpeting, dryer vents, electrical fixtures and appliances in the Units, all conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility services serving only the Unit Owner's Unit, non-supporting walls and partitions and all contents of the Units and built-in cabinets in the Units. All such maintenance, repair and replacement shall be done without disturbing the rights of other Unit Owners and shall be of a design, quality specification and decor consistent with the Condominium Property.

(ii) A Unit Owner shall not modify, alter, or otherwise decorate or change the appearance, decor or demeanor of any portion of the Condominium Property, windows, doors, or screens, nor shall any Unit Owner attach any thing or fixture to the Condominium Property or exterior of the Unit without the prior approval of the owners of record of seventy-five percent (75%) of the Units, and the prior approval of seventy-five percent (75%) of the Board of Directors of the Association; provided however that such approval shall not be required to display any American flag in accordance with the terms and conditions of Section 12.18 of this Declaration.

(iii) To promptly report to the Association any defect or need for repairs for which the Association is responsible.

(iv) The Unit Owner is responsible for the cost, repair, maintenance and replacement of any enclosure on the patio or balcony and also the costs incurred should the Association be required to repair the patio or balcony or any of its structure and, in the process of such repair, such enclosure or additions installed by the Unit Owner are destroyed or harmed.

(v) The Unit Owner shall maintain all lighting fixtures located in the patio of each Unit.

7.2 Alteration and Improvement.

(a) After the completion of the improvements included in the Condominium Property which are contemplated in this Declaration, there shall be no material alteration or substantial additions to the Common Elements without the prior approval of seventy-five percent (75%) of the total voting interests of the Association. The cost of such material alteration or improvement shall be a Common Expense and so assessed. Any such material alteration or improvement shall not interfere with the rights of any Unit Owner respecting the use of his Unit without his consent.

(b) Subject to the restrictions set forth in Article 12, no Unit Owner shall make any addition, alternation, or improvements in or to his Unit, the Common Elements, or the Limited Common Elements, and no structure or improvement may be erected, installed, maintained, or removed on the Condominium Property, until the design, construction, specifications, and a plan showing the location of the structure have been approved in writing by the Board of Directors.

Nothing contained in this Section shall be construed to lessen the obligation of any Unit Owner to make prompt application for and obtain all necessary governmental permits and other approvals with respect to any such improvement. In no event shall a Unit Owner make any alterations in the portions of the improvements of the Condominium which are to be maintained by the Association, remove any portion thereof, make any additions thereto, do any work which would jeopardize the safety or soundness of the Condominium building containing his Unit, or impair any easement.

A Unit Owner making or causing to be made any such additions, alterations, or improvements agrees, and shall be deemed to have agreed, for such Unit Owner and his heirs, personal representatives, successors and assigns, as appropriate, to hold the Association, and any manager of the Condominium, together with all their officers, directors, partners, and all other Unit Owners, harmless from any liability or damage to the Condominium Property and expenses arising therefrom, and shall be solely responsible for the maintenance and repair thereof from and after the date of installation or construction thereof, as may be required by the Association. The provisions of this Article shall not apply to the Developer.

Sonoc Company LLC (Developer's predecessor in title) has a continuing right to review and approve plans and specifications for all exterior improvements including building, signage and landscape plans. Further, Sonoc Company LLC shall be entitled to review and approve all entry features, guard houses, master landscaping, signage and the exterior of all other improvements constricted upon the Condominium Property. No structural improvement shall be commenced, placed or maintained upon the Condominium Property nor shall any addition or change or alteration therein be made until the plans and specifications and locations of them have been submitted to and approved by Sonoc Company LLC. Each request for approval shall require submission of two (2) complete sets of all plans and specifications for any improvements or structure subject to Sonoc Company LLC's approval. Any landscape plans submitted shall be certified by a registered Florida landscape architect. Sonoc Company LLC may also require submission of samples of building materials (if not previously approved) proposed for use in connection with construction of such improvements and may require such additional information as may be reasonably necessary to completely evaluate the proposed structure or improvements. Approval by Sonoc Company LLC shall not be unreasonably withheld, but disapproval may be based upon purely aesthetic grounds determined in the reasonable discretion of Sonoc Company LLC. Approval or disapproval of applications by Sonoc Company LLC shall be given in writing with fifteen (15) days of receipt thereof by Sonoc Company LLC and if the approval or disapproval is not forthcoming within such fifteen (15) days, the application shall be deemed approved. Approval of any application by Sonoc Company LLC shall not constitute a basis for any liability of Sonoc Company LLC for any reason, including but not limited to, failure of the plans to conform to any applicable building codes or inadequacy or deficiency in the plans resulting in defects.

### 7.3 Hard Surface Floors.

The installation of hard floor surface coverings will not be permitted above the first floor of each building in the Condominium except for any hard surface floor coverings which the Developer installs. For the Units on the first floor of each building, the installation of hard surface floor coverings such as tile, marble, wood and the like in any portion of the Unit (or Limited Common Elements appurtenant thereto including, without limitation, on any patio or balcony) other than foyers, bathrooms, and kitchens must be submitted to and approved by the Board, and if approved,

must meet all sound installation standards as established by the Board from time to time and also meet applicable structural requirements. Notwithstanding the foregoing, no hard surface floor coverings shall be used to replace carpeted areas within the Unit. Further, approval shall only be granted if appropriate materials are used in the installation of the flooring so as to minimize sound transmission. The installation of any improvement, or heavy object must be submitted to and approved by the Board of Directors and must be compatible with the overall structure and design of the building. The Board of Directors may require a structural engineer to review certain of the proposed improvements with such review to be at the Unit Owner's sole cost and expense. In addition, the Board of Directors shall have the right to specify the exact material to be used on balconies. Unit Owners will be held strictly liable for all violations of these restrictions and for all damages resulting therefrom and the Association has the right to require immediate removal of such violations. Developer makes no representations of warranties with respect to the sound transmission qualities of the Units. Each Unit Owner by acceptance of a deed or other conveyance for its Unit hereby acknowledges and agrees that sound transmission in a multi-story building such as the Condominium is very difficult to control and that the noises from adjoining or nearby Units, the Limited Common Elements or mechanical equipment can often be heard in another Unit. The Developer does not make any representation or warranty as to the level of sound transmission between and among the Units and other portions of the Condominium Property and each Unit Owner hereby waives and expressly releases such warranty and claim for loss or damages resulting from sound transmission.

#### 7.4 Window Treatments.

Reflective window coverings, heat mats and window coverings made of paper products are expressly prohibited. Only white or off-white, solid colored window coverings shall be permitted on any Unit without Board approval. Stained-glass windows or other type of window treatment to be placed or installed on the inside or outside of any Unit requires approval of the Board. The Board as applicable, may prohibit window treatments which are not reasonably compatible with the aesthetic standards of the Condominium Property. The restriction set forth in this Section shall not be construed to limit the rights of Unit Owners to display an American flag in accordance with Section 12.18.

#### 7.5 Hurricane Shutters.

Hurricane shutters are not permitted to be installed on the outside of any Unit or on any part of the Common Elements as laminated glass architecturally designed to function as hurricane protection has been installed for all windows throughout the Condominium Property, pursuant to Section 718.113 (5) Florida Statutes.

## ARTICLE 8 ASSOCIATION ASSESSMENTS AND COMMON EXPENSES

### 8.1 Common Expenses.

The Association, through its Board of Directors, shall have the power to determine and fix the sums necessary to provide for the Common Expenses, including the expense allocable to services being rendered by a management company with whom the Association may contract. The annual Assessment for each Unit shall commence when such Unit is made subject to the terms and conditions of this Declaration and shall initially be payable monthly in advance, however the increment may change to annual, semi-annual, quarterly or in such other installment increments as the Association deems appropriate; however, the Board of Directors shall have the power to establish other collection procedures. In addition, the Association shall have the power to levy Special Assessments against Units in their respective fractional shares for the following purposes: (i) if a

deficit should develop in the payment of Common Expenses during any period that the level of Assessments has not been guaranteed by the Developer (see Section 8.6 hereof); (ii) for the costs incurred by the Association for specific purposes of a nonrecurring nature which are not capital improvements; or (iii) costs incurred by the Association for the acquisition, installation, construction or replacement of any capital improvements located or to be located within the Common Elements. Unless waived pursuant to Section 718.112(2)(f), Florida Statutes, Condominium dues or charges shall include an adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis, and shall be payable in regular installments rather than by special assessment. In addition to the reserves which may be required to be maintained by the Association, the Board of Directors may include sums to establish reasonable reserves against future contingencies in each annual Assessment.

### 8.2 Liability for Assessments.

A Unit Owner, regardless of the manner in which he acquired title to his Unit including, without limitation, a purchaser at a judicial sale or by deed in lieu of foreclosure, shall be liable for all Assessments while he is the Owner of a Unit. A grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the latter for his share of the Common Expenses up to the time of the conveyance, except that, in accordance with Section 718.116 Florida Statutes, the liability for prior Assessments of Institutional Mortgagee who joins the Association in a foreclosure action and who acquires title through foreclosure or deed in lieu of foreclosure shall be limited to the lesser of: (i) the Unit's unpaid Common Expenses and regular periodic assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association, or (ii) one percent (1%) of the original mortgage debt. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements, services or recreation facilities, or by abandonment of the Unit against which the Assessment was made. The Association may charge an administrative late fee, in addition to interest, on any late Assessment payments not to exceed the maximum amount permitted under the Condominium Act. No Institutional Mortgagee is required to collect Assessments. Failure to pay Assessments shall not be deemed a default under any mortgage, except as provided in the mortgage instrument.

Any unpaid share of Common Expenses or Assessments for which an Institutional Mortgagee is relieved from liability under the provisions of this Declaration shall be deemed to be a Common Expense, collectible from all Unit Owners, including the acquirer of the Condominium Parcel, his successors and assigns. An Institutional Mortgagee may not, during the period of its ownership of such Condominium Parcel, whether or not such Condominium Parcel is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership. Nothing contained herein shall abridge or limit the right or responsibilities of Institutional Mortgagees as set forth in the Condominium Act.

### 8.3 Assessments.

The making and collection of Assessments against each Unit Owner for Common Expenses, and for reserves as may from time to time be established by the Association, shall be pursuant to the Bylaws of the Association, subject to the following provisions:

(a) Interest and Late Charge: Application of Payments. Assessments and installments on such Assessments paid on or before five (5) days after the date when due, shall not bear interest, but all sums not paid on or before five (5) days after the date when due shall bear interest at the rate of eighteen percent (18%) per annum from the date when due until paid and there shall also be assessed as an administrative late fee of five percent (5%) of the sum due but, not to exceed twenty-five and 00/100 dollars (\$25.00). All payments on accounts shall be first applied to interest accrued

by the Association, then to any administrative late fee, then to outstanding fines, then to costs and attorney's fees, and then to the delinquent assessment payment first due.

(b) Lien for Assessments. The Association shall have a lien against each Condominium Parcel for any unpaid assessments, including interest, costs and reasonable attorneys' fees incurred by the Association incident to the collection of such assessment or enforcement of such lien, whether or not legal proceedings are initiated. The said liens may be recorded among the public records of the county where located by filing a claim therein which states the description of the Condominium Parcel, the name of the record owner, the name and the address of the Association, the amount due and the due dates, and said lien shall continue in effect until all sums secured by said lien shall have been paid or one (1) year from the recording of said lien, whichever shall first occur, unless within the one (1) year period an action to enforce the lien is commenced in a court of competent jurisdiction. Such claims of lien shall be executed and acknowledged by an officer of the Association, or by an authorized agent of the Association. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien.

#### 8.4 Collection.

Assessments shall be due and payable upon conveyance of the first Unit from the Developer to its purchaser. The Association shall have the power and authority to charge, assess and collect all fees, charges and assessments allowed by this Declaration, Florida law, the Articles or Bylaws from Unit Owners and shall be entitled to use such remedies for collection as are allowed by this Declaration, Articles, Bylaws and the laws of the State of Florida.

#### 8.5 Subordination of Lien.

The lien for Assessments or other charges that the Association has on a Unit is effective from and shall relate back to the last to occur of the recording of this Declaration or the recording of the amendment to the Declaration adding such Unit. As to first mortgages of record, however, the lien for Assessments or other charges is effective from and after the date of recording a claim of lien in the public records of St. Johns County, Florida. Notwithstanding the foregoing, the lien for Assessments or other charges that the Association has on a Unit will be deemed to be subordinate to a first mortgage on the Unit if the mortgage was recorded before the delinquent Assessment was due.

#### 8.6 Developer's Responsibility for Assessments.

In accordance with Section 718.116(9)(a)(2), Florida Statutes, the Developer shall be excused from the payment of its share of Common Expenses for the Units owned by Developer for the period of time that the Developer has guaranteed the level of assessments to be paid to the Association by the Unit Owners of the Condominium and that the Developer has agreed to pay any common expenses that exceed the guaranteed budget amount. The Developer has agreed to guarantee the amount of payments due to the Association for the period commencing on the date this Declaration is recorded and continuing until the earlier of December 31, 2008 or turnover of control of the Association from the Developer to the nondeveloper members of the Association ("Turnover") (the "2008 Guaranty Period"). The guaranteed amount for each Unit during the 2008 Guaranty Period will be Two Hundred Seventy and no/100 dollars (\$270.00) per month for all unit types.

So long as the Association has maintained all insurance coverages required by Section 718.111(11)(a), Florida Statutes, the Common Expenses incurred during the foregoing period resulting from a natural disaster or an Act of God, which are not covered by insurance proceeds from the insurance maintained by the Association may be assessed against all Unit Owners, including the Developer, owning Units in accordance with their share of Common Expenses on the date of such

natural disaster or Act of God. Pursuant to Section 718.116(9)(a)(2), Florida Statutes, the Developer reserves the right to extend the guarantee for a period commencing with the expiration of the 2008 Guarantee Period and ending at Turnover, at an amount to be determined.

Following the Guaranty Period, each Unit Owner will be required to pay its actual pro-rata share of expenses based on the budget in effect at the time the Guaranty Period expires.

8.7 Reserves.

In accordance with Section 718.112(2)(f)(2), Florida Statutes, as of the date this Declaration is recorded, the Association has elected to maintain reserve accounts for capital expenditures and deferred maintenance. Reserves will therefore be collected from the Unit Owners as part of the Annual Assessment.

8.8 Capital Contribution.

Each purchaser shall be required to make a one time capital contribution to the Association in the amount determined by the Association from time to time, which may be used for additional capital improvements or services which were not included in the original budget categories and which may not be used by the Developer to fund the operating deficit. This capital contribution shall be due and payable upon each resale of the Unit.

**ARTICLE 9  
ASSOCIATION**

The operation of the Condominium shall be by the Association, which shall fulfill its functions pursuant to the following provisions:

9.1 Membership and Voting Right in Association.

Membership of each Unit Owner in the Association is mandatory and shall be acquired pursuant to the provisions of the Articles of Incorporation and Bylaws of the Association. The interest of each Unit Owner in the funds and assets held by the Association shall be in the same proportion as the liability of each such Unit Owner for Common Expenses. Each Unit shall be entitled to one (1) vote in the Association.

9.2 Articles of Incorporation.

A copy of the Articles of Incorporation of the Association, which sets forth its powers and duties, is attached as **Exhibit "C"** and made a part hereof.

9.3 Bylaws.

A copy of the Bylaws of the Association is attached as **Exhibit "D"** and made a part hereof.

9.4 Restraint Upon Assignment of Shares and Assets.

The Unit Owner's share in the funds and assets of the Association cannot and shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.

9.5 Association Name.

The Association shall be named as provided in Section 2.2 herein and shall be a corporation not-for-profit.

9.6 Purchase or Lease of Properties.

The Association shall have the power and authority to purchase real estate, leaseholds or possessory interest therein, including memberships pursuant to Sections 718.111 and 718.114, Florida Statutes.

9.7 Association's Access to Units.

The Association and its authorized agents shall have the right to enter the Condominium Parcels and Limited Common Elements at reasonable times for the purposes making repairs or otherwise maintaining the Condominium Property other than the Units, or to abate emergency situations which threaten damage to the Condominium Property other than the Unit entered.

9.8 Right of Action.

The Association and any aggrieved Unit Owner has the right of action against Unit Owners who fail to comply with the provisions of the Condominium's documents or the decisions made by the Association.

**ARTICLE 10  
INSURANCE**

The insurance that shall be carried upon the Condominium Property shall be governed by the following provisions:

10.1 Authority to Purchase; Named Insured.

All insurance policies upon the Condominium Property shall be purchased by the Association. The named insured shall be the Association individually and as agent for the Unit Owners, without naming them, and as agent for their Institutional Mortgagees. Provisions shall be made for the issuance of the mortgagee endorsements and memoranda of insurance to the Institutional mortgagees of Unit Owners. Such policies shall provide that payments by the insurer for losses shall be made to the Association or the insurance trustee designated below, and all policies and their endorsements shall be deposited with the Association or the insurance trustee as set forth herein.

10.2 Personal Condominium Property of Unit Owner.

Unit Owners should obtain coverage at their own expense upon their personal property and improvements within their Unit not covered by the Association and for their personal liability and living expenses including without limitation those matters in Section 10.3(a)(iii), and such insurance shall not be the responsibility of the Association.

10.3 Coverage.

(a) Casualty. All buildings and improvements upon the Condominium Property shall be insured in an amount equal to the insurable replacement value, excluding foundation and excavation costs, and all personal property included in the Common Elements shall be insured for its value, all as shall be determined annually by the Board of Directors of the Association. Coverage shall afford protection against:

(i) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and

(ii) Such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the land, including, but not limited to, vandalism and malicious mischief.

(iii) Hazard policies issued to protect Condominium Buildings shall provide that the word "building", wherever used in the policy, shall include, but shall not necessarily be limited to, fixtures, installations or additions comprising that part of the building within the unfurnished interior surfaces of the perimeter walls, floors and ceilings of the individual Units initially installed or replacements thereof, of like kind and quality, in accordance with the original plans and specifications or as existed at the time the Unit was initially conveyed if the original plans and specifications are not available. However, the word "building" shall not include Unit floor coverings, wall coverings or ceiling coverings, and shall not include electrical fixtures, appliances, air conditioning and heating equipment, water heaters or built-in cabinets required to be replaced or repaired by the Unit Owner. With respect to the coverage provided by this Section, the Unit Owner shall be considered as an additional insured under the policy.

(b) Public Liability. Public Liability in such amounts and with such coverage as shall be required by the Board of Directors of the Association, including, but not limited to, hired vehicles, owned, and non-owned vehicle coverage, and with cross liability endorsements to cover liabilities of the Unit Owner as a group to a Unit Owner.

(c) Worker's Compensation. Worker's Compensation insurance to meet the requirements of law.

(d) Flood Insurance. Flood Insurance, where required by federal or other regulatory authority.

(e) Liability Insurance. Liability Insurance for its officers and directors or persons who are in control or disburse funds of the Association.

(h) Insurance/Fidelity Bond. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time. The term "persons who control or disburse funds of the Association" includes, but is not limited to, those individuals authorized to sign checks and the president, secretary, and treasurer of the Association. The Association shall bear the cost of bonding.

#### 10.4 Premiums.

Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense.

#### 10.5 Insurance Trustee; Share of Proceeds.

All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit Owners and their Institutional Mortgagees as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Association or a named insurance trustee as Trustee or to such Trustee in Florida with Trust Powers as may be designated as Insurance Trustee from time to time by the Board of Directors of the Association when required by this Declaration (hereinafter referred to as the "Insurance Trustee"). The Insurance Trustee shall not be liable for payment of premiums nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and hold the proceeds in trust for the purposes stated herein for the benefit of the Unit Owners and their Institutional Mortgagees in the following shares, provided, however, such shares need not be set forth on the records of the Insurance Trustee.

(a) Proceeds on Account of Damage to Common Elements and Limited Common Elements. An undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements and Limited Common Elements appurtenant to the Unit as set forth on **Exhibit "B"** attached hereto.

(b) Units. Proceeds on account of damage to Units shall be held in the following undivided shares:

(i) When the Building is to be Restored. For the Unit Owners of damaged Units in proportion to the cost of repairing the damage suffered by each Unit Owner, said cost to be determined by the Association.

(ii) When the Building is Not to be Restored. An undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to his Unit.

(c) Institutional Mortgagees. In the event a mortgagee endorsement has been issued to a Unit, the share of the Unit Owner shall be held in trust for the Institutional Mortgagee and the Unit Owner as their interest may appear; provided, however, that no Institutional Mortgagee shall have any right to determine or participate in the determination as to whether any damaged property shall be reconstructed or repaired, and no Institutional Mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distributions of such proceeds made to the Unit Owner and Institutional Mortgagee pursuant to the provisions of this Declaration.

(d) Insurance Trustee. An Insurance Trustee need not be appointed until there exists a major damage as defined in Sections 11.1(b) and 11.6(b)(ii) or until there shall have been a request by an Institutional Mortgagee for such appointment.

#### 10.6 Distribution of Proceeds.

Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial Unit Owners in the following manner:

(a) All expenses of the Insurance Trustee shall be paid first or provisions made for such payment.

(b) If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof as provided herein. Any proceeds remaining after

(c) If it is determined in the manner provided herein that the damage for which proceeds are paid shall not be reconstructed or repaired, the proceeds shall be distributed to the beneficial Unit Owners, remittances to Unit Owners and their Institutional Mortgagees being payable jointly to them. This is a covenant for the benefit of, and may be enforced by, the Institutional Mortgagee of a Unit.

(d) In making distribution to Unit Owners and their Institutional Mortgagees, the Insurance Trustee may rely upon a Certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their respective shares of the distribution.

#### 10.7 Association as Agent.

The Association is hereby irrevocably appointed Agent for each Unit Owner and for each owner of any other interest in the Condominium Property to adjust all claims arising under the insurance policies purchased by the Association and to execute and deliver releases upon the payment of a claim.

### ARTICLE 11 RECONSTRUCTION OR REPAIR AFTER CASUALTY OR CONDEMNATION

#### 11.1 Determination to Reconstruct or Repair.

If any part of the Condominium Property is damaged or taken by casualty or by condemnation or deed in lieu thereof, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

(a) Minor Damage or Condemnation. If the damaged or taken improvement is a Common Element and/or Limited Common Element, or if the damaged or taken improvement is a building in which less than sixty percent (60%) of the Units to which the Common Elements are appurtenant are untenable, then the damaged or taken property shall be reconstructed or repaired, unless it is determined that the Condominium shall be terminated.

(b) Major Damage. If the damaged or taken improvement is a building, and if Units to which sixty percent (60%) of the Common Elements are appurtenant are found by the Board of Directors to be not tenable, then the damaged or taken property will not be reconstructed or repaired, and the Condominium will be terminated without agreement, unless within one hundred sixty (160) days after the casualty, the Unit Owners of eighty percent (80%) of the Common Elements and fifty-one percent (51%) of the Eligible Institutional Mortgagees agree in writing to such reconstruction or repair.

(c) Certificate. The Insurance Trustee may rely upon a Certificate of the Association made by its President and attested by its Secretary as to whether or not the damaged or taken property is to be reconstructed or repaired.

#### 11.2 Plans and Specifications.

Any reconstruction or repairs must be substantially in accordance with the plans and specifications for the original building, or in lieu thereof, according to the plans and specifications approved by the Board of Directors of the Association, and if the damaged or taken property is in a building and

reconstruction is not substantially in accordance with the original plans and specifications, then, approval by the Unit Owners of not less than eighty percent (80%) of the Common Elements, including the Unit Owners of all damaged or taken Units, together with the approval of fifty-one percent (51%) of the Eligible Institutional Mortgagees shall be required, which approval shall not be unreasonably withheld.

### 11.3 Responsibility.

If the damage or taking is only to those parts of one Unit for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be responsible for reconstruction and repair after casualty or taking. In all other instances, the responsibility of reconstruction and repair after casualty or taking shall be that of the Association. Each Unit Owner hereby appoints the Association to be attorney-in-fact in any negotiating settlements or agreements.

### 11.4 Estimates of Cost.

Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

### 11.5 Assessments.

If it is determined that reconstruction and repair should occur and if the proceeds of insurance or condemnation are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, assessments shall be made against all Unit Owners in the case of damage or taking of Common Elements, in sufficient amounts to provide funds for the payment of such costs. Such assessments on account of damage or taking of Common Elements shall be in proportion to the Unit Owner's obligation for Common Expenses.

### 11.6 Construction Funds.

The funds for payment of costs of reconstruction and repair after casualty or taking shall be paid to the Association or Insurance Trustee for the benefit of the Unit Owners and the Institutional Mortgagees. They shall consist of proceeds of insurance held by the Association or the Insurance Trustee and funds collected by the Association from assessments against Unit Owners, shall be disbursed in payment of such costs in the following manner:

(a) Association. If the total of assessments made by the Association in order to provide funds for the payment of reconstruction and repair that is the responsibility of the Association is more than five hundred thousand and 00/100 dollars (\$500,000.00), then the sums paid upon such assessments shall be deposited by the Association with the Insurance Trustee. In all other cases the Association shall hold the sums paid upon such Assessments and disburse them in payment of the costs of reconstruction and repair.

(b) Insurance Trustee. The proceeds of insurance or condemnation collected on account of casualty or taking, and the sums deposited with the Insurance Trustee by the Association from collections of Assessments against Unit Owners on account of such casualty or taking shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(i) Association - Lesser Damage. If the amount of the estimated costs of reconstruction and repair that is the responsibility of the Association is less than five hundred thousand and 00/100 dollars (\$500,000.00), then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association, provided, however, that upon request by an Institutional Mortgagee that is a beneficiary of an insurance policy the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided for the reconstruction and repair of major damage.

(ii) Association - Major Damage. If the amount of the estimated costs of reconstruction and repair that is the responsibility of the Association is more than five hundred thousand and 00/100 dollars (\$500,000.00), then the construction fund shall be disbursed in payment of such costs pursuant to the approval of an architect selected by the Board of Directors.

(iii) Unit Owner. The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with a Unit Owner shall be paid to the Unit Owner, or if there is a mortgagee endorsement as to the Unit, then to the Unit Owner thereof and the Institutional Mortgagee jointly, who may use such proceeds as they may agree.

(iv) Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance or condemnation proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial Unit Owners of the fund; except, however, that only those portions of a distribution to the beneficial Unit Owners in excess of assessments paid by a Unit Owner to the construction fund shall be made payable to any Institutional Mortgagee.

(v) Certificate. Notwithstanding the provisions of this instrument, the Insurance Trustee shall not be required to determine whether sums paid by the Unit Owners upon assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Association or approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund nor to determine the payee nor the amount to be paid. Instead, the Insurance Trustee may rely upon a Certificate of the Association made by its President and Secretary as to any or all of such matters and stating that the sums to be paid are due and properly payable and stating the name of the payee and the amount to be paid; provided, that when an Institutional Mortgagee is required in this instrument to be named payee, the Insurance Trustee shall also name the Institutional Mortgagee as a payee of any distribution of insurance proceeds to a Unit Owner; and further, provided, that when the Association, or an Institutional Mortgagee that is the beneficiary of an insurance policy whose proceeds are included in the construction fund, so requires the approval of an architect named by the Association shall be first obtained by the Association prior to the disbursements in payment of costs of reconstruction and repair.

Neither the Board, Developer, nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing rules and regulations governing pets and every Unit Owner maintaining a pet on the Condominium Property or Association Property agrees to defend, indemnify and hold the Association, its Board of Directors, Developer, each Unit Owner and the Management Company and their employees harmless against any loss, claim, damage or liability of any kind or character whatsoever arising or growing out of the privilege of having a pet at Tidewater Town Center Condominium. Any landscaping damage or other damage to the Common Elements, caused by a Unit Owner's pet must be promptly repaired by the Unit Owner. The Association retains the right to effect said repairs and charge the Unit Owner therefore.

A violation of the provisions of this Section shall entitle the Association and the Board of Directors to all of its rights and remedies available under the Declaration, Bylaws, Florida Statutes and any applicable rules and regulations, including, but not limited to, the right to fine Unit Owners and/or to require any pet to be permanently removed from the Condominium Property. ### 13.3 Maintenance.

Except as specifically set forth herein to the contrary, the Association shall be responsible for the maintenance, operation, and repair of the Stormwater Management System. Such maintenance shall include the exercise of practices which allow the Stormwater Management System to provide drainage, water storage, conveyance, or other capabilities in accordance with all the permits, statutes, rules, and regulations pertaining to surface water management, drainage, and water quality promulgated by the SJRWMD, Florida Department of Environmental Protection, and all other local, state and federal authorities having jurisdiction. The use of such surface waters by the Unit Owners, Developer or Association shall be subject to and limited by the rules and regulations of Developer and the Association, all permits issued by governmental authorities, and any rights granted to other persons pursuant to the rules and regulations of Developer and the Association. This Declaration is subject to the rights of the State of Florida over portions of the Property which may be considered wetlands, marshes, sovereign or jurisdictional lands.

13.8 Rights of the SJRWMD.

Notwithstanding any other provisions contained elsewhere in this Declaration, the SJRWMD shall have the rights and powers enumerated in this paragraph. The SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, and repair of the Stormwater Management System. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified, as approved by the SJRWMD. No person shall alter the drainage flow of the Stormwater Management System, including any buffer areas, swales, treatment berms or swales, without the prior written approval of the SJRWMD. Any amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Elements, must have prior written approval of the SJRWMD. In the event that the Association is dissolved, prior to such dissolution, all responsibility relating to the Stormwater Management System must be assigned to and accepted by an entity approved by the SJRWMD.

UNDER THE FOREGOING PERMITS AS SUCH OBLIGATIONS RELATE TO THE LOT OR UNIT AND SHALL AGREE TO MAINTAIN SUCH JURISDICTIONAL WETLANDS AND/OR UPLAND BUFFERS IN THE CONDITION REQUIRED UNDER THE PERMITS AND TO OTHERWISE COMPLY THEREWITH. IN THE EVENT THAT AN OWNER VIOLATES THE TERMS AND CONDITIONS OF SUCH PERMITS AND FOR ANY REASON THE DEVELOPER IS CITED, THE OWNER AGREES TO INDEMNIFY AND HOLD THE DEVELOPER HARMLESS FROM ALL COSTS ARISING IN CONNECTION THEREWITH, INCLUDING WITHOUT LIMITATION ALL COSTS AND ATTORNEYS' FEES, AS WELL AS ALL COSTS OF CURING SUCH VIOLATION.

From time to time the Developer may be required to record a conservation easement over a portion of the Property, as determined by the SJRWMD, Department of Environmental Protection and/or the Army Corps of Engineers. Such land would be subject to a conservation easement as a mitigation area and would be subject to the jurisdiction of such agencies and such land is referred to as "Restricted Land". The conservation easement shall not be amended or modified without the prior written consent of the SJRWMD. The use of such Restricted Land is hereby restricted as follows:

(b) There shall be no construction or placing of buildings, roads, signs, billboards or other advertising, utilities or structures above the ground in the Restricted Land.

(c) No soil or other substance or material used as land fill, and no trash, waste, unsightly or offensive materials may be dumped or placed on the Restricted Land.

(d) No trees, shrubs or other vegetation on the Restricted Land may be removed or destroyed.

(e) There shall be no excavation, dredging or removal of loam, peat, gravel, soil, rock or other material substance in such a manner as to affect the surface of the Restricted Land.

(j) This Section 13.11 may be enforced by the SJRWMD, its successors and assigns.

**13.14 Drainage Swales.**

The Developer may construct a drainage swale on certain portions of the Property where it has been deemed necessary for the purpose of managing and containing the flow of excess surface water, if any, found upon such Lot from time to time. The Association shall be responsible for the maintenance, operation and repair of the swales on the Property. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SJRWMD. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales is prohibited. No alteration of the drainage swale shall be authorized and any damage to any drainage swale, whether caused by natural or human-induced phenomena, shall be repaired and the drainage swale returned to its former condition as soon as possible by the Association.

**13.15 District Wetland Areas.**

The plat for the Town Center South Master Development Plan related to the Condominium Property includes certain SJRWMD wetland areas within the Condominium Property, certain upland buffers required under the DRI and certain greenway buffers as conservation areas which have been or will be subjected to SJRWMD and U.S. Army Corps of Engineers ("ACOE") conservation easements. Such areas will be maintained and monitored by the Association, in accordance with the permits described in Section 13.10.

**13.16 Minimum Buffer Adjacent to District Wetland Buffers.**

The Condominium Property is subject to a 25-foot minimum buffer to be maintained adjacent to the SJRWMD wetland areas constituting part of the Nocatee Greenway (the "Greenway Buffer"), which Greenway Buffer is located upon the Condominium Property. Developer has or will convey (or take title subject to) conservation easements in form and content required by the SJRWMD and ACOE as to the Greenway Buffer and convey the fee simple title to the Greenway Buffer, without consideration, to the CDD upon recordation of any plat of the Condominium Property.

**13.17 Surface Run-off.**

Maintenance of water quality within the Stormwater Management System is both necessary and desirable to preserve the values of the property surrounding the Stormwater Management System and to comply with statutes, rules and regulations of agencies having jurisdiction over the Stormwater Management System. As a result, each Unit Owner and the Association are prohibited from discharging or allowing the discharge of any objects, components or elements of any kind or nature into the Stormwater Management System, or obstructing the Stormwater Management System by encouraging the growth of algae, causing extraordinary siltation within the Stormwater

Management System or of degrading the water quality below acceptable levels and shall be prohibited from otherwise interfering with the flow of water within the Stormwater Management System or creating unsightly conditions in the Stormwater Management System. To the extent that any party shall be determined to be responsible for such discharge, the cost of any maintenance, repair or reconstruction activity within the Stormwater Management System area or upon upland properties, including without limitation, redesign and reconstruction of underdrain, inlets and other similar drainage structures necessitated by the effects of such discharge shall be solely the responsibility of such party which shall be chargeable by the CDD in connection with the performance of its maintenance of the pond or the Association in connection with the performance of its maintenance of the other drainage improvements and such sums shall be due and payable within fifteen (15) days of demand for same. Any sums not paid when due shall bear interest at the highest rate permitted under Florida law. In addition, if necessary to correct a violation of this Section, the CDD shall be entitled to enter upon any portion of the Condominium Property as may be necessary to conduct such repairs or reconstruction at the expense of such responsible party.

#### 13.18 Drainage System Maintenance and Use.

No boats shall be permitted to be operated in the pond except that the CDD may use boats in performing their maintenance responsibilities. All land within the Condominium Property which is adjacent to the pond shall be maintained by the Association so that such grass, planting or other lateral support to prevent erosion of the embankment adjacent to the pond and the height, grade and contour of the embankments shall not be changed without the prior written consent of the CDD. Further, all shoreline vegetation, including cattails and the like, shall be maintained and controlled by the Association. If the Association fails to comply with the foregoing obligations, the CDD shall have the right, but no obligation, to enter upon the Condominium Property to perform such maintenance work which may be reasonably required, all at the expense of the Association, which shall be due and payable within fifteen (15) days of demand for same. Any sums not paid when due shall bear interest at the highest permissible rate under Florida law. No docks or other structures shall be constructed on any embankments of the pond unless or until the same has been approved by Sonoc Company LLC and the CDD.

### ARTICLE 14 TOLOMATO COMMUNITY DEVELOPMENT DISTRICT

#### 14.1 Taxes and Assessments Levied by CDD.

The CDD is a special purpose form of local government established and existing pursuant to Chapter 190, Florida Statutes. The CDD is being established to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain certain community infrastructure systems, facilities and services for storm water management and drainage including roadways, parks and recreation, water and sewer utilities, and such other systems, facilities and services as are allowed by Chapter 190, Florida Statutes ("District Improvements"). Each Owner agrees and acknowledges that, once established, the CDD may impose and levy taxes or assessments, or both taxes and assessments, on the Condominium Property. These taxes and assessments pay the construction, operation, and maintenance costs of certain public facilities and services of the district and are set annually by the governing board of the district. These taxes and assessments are in addition to the county and other local governmental taxes and assessments and all other taxes and assessments provided for by law.

#### 14.2 Cost Sharing Agreement with CDD.

The Condominium Property is subject to a cost sharing agreement (the "Cost Sharing Agreement") between the Developer and the CDD, which agreement allocates the cost of certain pond

maintenance attributable to the Condominium Property and to certain portions of the South Perimeter Loop Road and provides that the CDD will maintain the pond. The Cost Sharing Agreement provides, without limitation, that the owners of the Condominium Property are responsible for 61.5% of such maintenance costs.

14.3 CDD Temporary Construction Easement.

The Nocatee Master Infrastructure Improvements Plan provides for a stubout of the South Perimeter Loop Road within the Condominium Property. As such, the Condominium Property is subject to a Temporary Construction Easement by and between Tolomato Community Development District and Pulte Home Corporation recorded on October 21, 2005 in Official Records Book 2565, page 1193, in the public records of St. Johns County, Florida, providing the CDD with an easement over such area of the Condominium Property as may be necessary to construct the stubout for the South Perimeter Loop Road, certain pond improvements and certain reuse and irrigation improvements.

**ARTICLE 15  
COMPLIANCE AND DEFAULT**

Each Unit Owner shall be governed by and shall comply with the terms of the Declaration of Condominium, Articles of Incorporation and Bylaws and the Rules and Regulations adopted pursuant to those documents, as they may be amended from time to time. Failure of a Unit Owner to comply with such documents and regulations shall entitle the Association or other Unit Owners to the following relief in addition to the remedies provided by the Condominium Act:

15.1 Negligence.

A Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his negligence or by that of any member of his family or his or their guests, employees, agents, or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. There shall be no absolute liability imposed on such Unit Owner.

15.2 Costs and Attorneys' Fees.

In any proceeding arising because of an alleged failure of a Unit Owner or the Association to comply with the terms of the Declaration, Articles of Incorporation of the Association, the Bylaws, or the Rules and Regulations adopted pursuant to them, and the documents and regulations as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding, and recover such reasonable attorneys' fees as may be awarded by any Court, before, at trial or appellate levels and administrative hearings, in bankruptcy or in post-judgment collection.

15.3 No Waiver of Rights.

The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation of the Association, the Bylaws or the Rules and Regulations shall not constitute a waiver of the right to do so thereafter.

**ARTICLE 16  
AMENDMENTS**

Except as provided herein, this Declaration of Condominium and the Articles and Bylaws of the Association, may be amended in the following manner:

16.1 Notice.

Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

16.2 Resolution – Notice.

A resolution made by the Board for the adoption of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

16.3 Resolution – Voting.

A resolution for the adoption of a proposed amendment may be proposed by the Board of Directors of the Association or by the Unit Owners of the Association. Unit Owners may propose such an amendment by instrument in writing directed to the President or Secretary of the Board signed by not less than twenty percent (20%) of the Unit Owners. Amendments may be proposed by the Board of Directors by action of a majority of the Board at any regularly constituted meeting thereof. Upon an amendment being proposed as herein provided, the President, or, in the event of his refusal or failure to act, the Board of Directors, shall call a meeting of the Unit Owners to be held not sooner than fifteen (15) days nor later than sixty (60) days thereafter for the purpose of considering said amendment. Directors and Unit Owners not present in person or by proxy at the meeting considering the amendment may express their approval or disapproval in writing, provided such approval or disapproval is delivered to the Secretary at or prior to the meeting, and provided, however, that such approval or disapproval expressed by any Director not present may not be used as a vote for or against any such amendment and may not be used for the purposes of creating a quorum at such meeting of the Unit Owners. Except as provided herein, such approvals must be by not less than sixty-seven percent (67%) of the votes of the entire Unit Owners of the Association.

16.4 Proviso.

Provided, however, that no amendment shall discriminate against any Unit Owner nor against any Unit or class or group of Units, unless the Unit Owners so affected shall consent; and no amendment shall change any Unit nor the share in the Common Elements appurtenant to it nor increase the Unit Owner's share of the Common Expenses, unless the record Owner of the Unit concerned and all Institutional Mortgagees on such Unit shall join in the execution of the amendment. Any vote to amend the Declaration of Condominium relating to a change in the fractional share of ownership in the Common Elements or sharing of the Common Expense shall be conducted by secret ballot. Neither shall an amendment make any change in the Section entitled "Insurance" nor in the Section entitled "Reconstruction or Repair After Casualty" unless fifty-one percent (51%) of the Eligible Institutional Mortgagees (as hereafter defined) of any Condominium Property shall join in the execution of such amendment. Nor shall any amendment make any change which would in any way affect any of the rights, privileges, powers and/or options herein provided in favor of or reserved to the Developer, or any person who is an officer, stockholder or director of the Developer, or any corporation having some or all of its directors, officers or stockholders in common with the Developer, unless the Developer or any limited partner or general partner shall join in the execution of such amendment.

16.5 Execution and Recording.

A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted, and the certificate shall be executed by the President of the Association and attested by the Secretary with the formalities of a deed, and shall be effective upon recordation thereof in the Public Records of the County and State in which the land is situate.

16.6 Stormwater Management System.

Any amendment of this Declaration which alters or affects the Stormwater Management System, including the water management portions of the Common Elements, beyond maintenance in its original condition, must have the prior written approval of the SJRWMD.

16.7 Scrivener's Errors.

Prior to the transfer of control of the Association, Developer may amend this Declaration and any exhibits thereto in order to correct a scrivener's error or other defect or omission without the consent of the Unit Owners or the Board of Directors, provided that such amendment does not materially and adversely affect the right of Unit Owners, lienors or mortgagees. This amendment shall be signed by Developer only and need not be approved by the Association, Unit Owners, lienors or mortgagees, whether or not elsewhere required for amendment, and a copy of the amendment shall be furnished to each Unit Owner, the Association and all listed Institutional Mortgagees as soon after recordation thereof among the Public Records of the County and State in which the land is situate as is practicable. After the transfer of control of the Association, amendments for the correction of scrivener's errors or other nonmaterial changes may be made by the affirmative vote of two-thirds (2/3) of the Board of Directors and without the consent of the Unit Owners or the Institutional Mortgagees.

16.8 Subsequent Phases.

Notwithstanding anything to the contrary herein, the Developer reserves the exclusive right to amend this Declaration without the consent of any Owner, Mortgagee, (except any Mortgagee holding a mortgage on the Subsequent Phase Land) the Association, or any other person or entity for the purpose of subjecting any or all of the Subsequent Phase Land to the Declaration. Until such time as Developer conveys a Unit in a Subsequent Phase to a Owner, Developer reserves the right to amend the Amendment adding such Phase, terminate the Amendment as to such Phase, and to later add such Phase by another Amendment, all of which actions shall not require the consent of any Owner, Mortgagee, the Association, or any other person or entity.

## ARTICLE 17 TERMINATION

The Condominium may be terminated in the following manners, in addition to the manner provided by the Condominium Act:

17.1 Destruction.

If it is determined as provided herein that all the Buildings shall not be reconstructed because of major damage or taking by condemnation or deed in lieu thereof, the Condominium plan of ownership shall be terminated by the agreement of Unit Owners who represent at least sixty-seven percent (67%) of the total allocated votes in the Association and by Eligible Institutional Mortgagees who represent at least fifty-one percent (51%) of the votes of Units subject to mortgages held by Eligible Institutional Mortgagees. "Eligible Institutional Mortgagee" shall mean those who hold a first mortgage on a Unit and who have requested notice, in writing, stating their name, address and the unit number of the mortgaged Unit.

17.2 Agreement.

The Condominium may be terminated at any time by the approval in writing of seventy-five percent (75%) of record Owners of Units and Eligible Institutional Mortgagees. The Board shall notify the

Division of Florida Land Sales, Condominiums and Mobile Homes (the "Division") before taking any action to terminate the Condominium. Notice of a meeting at which the proposed termination is to be considered shall be given not less than thirty (30) days prior to the date of such meeting. Provided that the approval of Unit Owners of not less than seventy-five percent (75%) of the Common Elements, and the approval of seventy-five percent (75%) of the Eligible Institutional Mortgagees, are obtained at the meeting or within thirty (30) days thereafter, then the approving Unit Owners shall have an option to buy all of the Units of the Unit Owners not approving of termination, said option to continue for a period of sixty (60) days from the date of such meeting. Approval by a Unit Owner of a Unit, or of a lien encumbering a Unit, shall be irrevocable until expiration of the above recited option to purchase the Unit of Owners not so approving, and if the option to purchase such Unit is exercised, then such approval shall be irrevocable. The Option to purchase the Units not approving of termination shall be exercised upon the following terms:

(a) Exercise of Option. The option shall be exercised by delivery or mailing by registered mail to each of the record Owners of the Units to be purchased an agreement to purchase signed by the record Owners of Units who will participate in the purchase. Such agreement shall indicate which Units will be purchased by each participating Unit Owner and shall require the purchase of all Units owned by Unit Owners not approving the termination, but the agreement shall effect a separate contract between each seller and his purchaser.

(b) Price. The sale price for each Unit shall be the fair market value determined by agreement between the seller and the purchaser within thirty (30) days from the delivery or mailing of such agreement, and in the absence of agreement as to price, it shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association by appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any Court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser. In any such action for specific performance the prevailing party shall also be entitled to his reasonable attorneys' fees and costs incurred in connection therewith.

(c) Payment. The purchase price shall be paid in cash, provided, in the event there shall be a pre-existing first mortgage on the Unit, then the purchaser shall have the option of assuming the remaining principal obligation thereof, and that portion of the purchase price which is in excess of such mortgage shall be payable in cash at closing.

(d) Closing. The sale shall be closed within thirty (30) days following determination of the sale price.

### 17.3 Certificate.

Termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by its President and Secretary certifying to the facts effecting the termination, said certificate to become effective upon being recorded in the Public Records of the County and State in which the land is situate. Upon recordation of the instrument evidencing consent of all of the Unit Owners to terminate the Condominium, the Association within thirty (30) business days shall notify the Division of the termination and the date the document was recorded, the county where the document was recorded, and the book and page number of the public records where the document was recorded, and shall provide the Division a copy of the recorded termination notice certified by the clerk.

17.4 Shares of Unit Owners after Termination.

After termination of the Condominium, the Unit Owners shall own the Condominium Property and all assets of the Association as tenants in common in undivided shares that shall be the same as the undivided shares in the Common Elements appurtenant to the Unit Owners' Units prior to the termination.

**ARTICLE 18  
SEVERABILITY**

The invalidity in whole or in part of any covenant or restriction, or any Section, sentence, clause, phrase or word, or other provision of this Declaration of Condominium and the Articles of Incorporation, Bylaws and Rules and Regulations of the Association shall not affect the validity of the remaining portions.

**ARTICLE 19  
RULE AGAINST PERPETUITIES**

The rule against perpetuities shall not defeat a right given any person or entity by the Declaration of Condominium for the purpose of allowing Unit Owners to retain reasonable control over the use, occupancy and transfer of Units.

**ARTICLE 20  
JOINDER AND CONSENTS**

A person who joins in or consents to the execution of this Declaration of Condominium subjects his interest in the Condominium Property to the provisions of the Declaration.

**ARTICLE 21  
ENFORCEABILITY**

All provisions of this Declaration of Condominium are enforceable equitable servitudes, run with the land and are effective until the Condominium is terminated. The terms and conditions of this Declaration may be enforced by the Developer, the Association, and any Unit Owner.

If any person, firm, corporation, trust, or other entity shall violate or attempt to violate any of the covenants or restrictions set forth in this Declaration, it shall be lawful for Developer, the Association, or any Owner: (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate any such covenant or restriction; or (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate any such covenant or restriction for the purpose of preventing or enjoining all or any such violations or attempted violations. In addition to all other remedies, the Board of Directors shall have the authority, in its sole discretion, to suspend the Owner's (and Owner's family, tenants, guests, invitees or occupants) right to use the common property recreational facilities for so long as the violation continues and to levy reasonable fines against a Unit for the failure of the Owner of the Unit, his family, guests, invitees, tenants, or occupants, to comply with any covenant, restriction, rule, or regulation contained in this Declaration, the Articles, or the Bylaws, provided the following procedures are adhered to:

(a) The Association shall notify the Owner or occupant of the violation(s) and of the right to have a hearing before a committee of other Unit Owners concerning the levying of the fine. The notice shall contain a date and time for a proposed hearing which shall be at least fourteen (14) days from the date of notice. The committee shall be appointed by the Board of Directors and shall be

composed of three (3) Unit Owners who are not officers, directors or employees of the Association. If the Unit Owner or occupant notified of the violation(s) fails to appear at the hearing or fails to request a hearing at another time, which time shall in no event be set more than thirty (30) days after notification of the violation(s), the right to the hearing shall be deemed to be waived and the fine shall be considered levied.

(b) At any hearing, the committee shall be presented with the violation(s) and shall give the Owner or occupant the opportunity to present reasons why penalties should not be imposed. A written decision of the committee shall be provided to the Owner or occupant within twenty-one (21) days after the date of the hearing.

(c) If a hearing is requested and results in the approval of the fine by the committee, the fine levied by the Board of Directors may be imposed against the applicable Unit of up to One Hundred Dollars (\$100.00) per violation, on the basis of each day of a continuing violation, up to a total maximum fine of One Thousand Dollars (\$1,000.00). The maximum permitted fine may be increased from time to time by the Board of Directors, as permitted by applicable statutes.

(d) Each incident which is grounds for a fine shall be the basis for a separate fine. In case of continuing violations, each continuation after notice is given shall be deemed a separate incident.

(e) Fines shall be paid within thirty (30) days after the receipt of notice of their imposition.

(f) All monies received from fines shall be allocated as directed by the Board of Directors.

(g) The imposition of a fine shall not be an exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may otherwise be entitled, including without limitation the right to impose a Unit Assessment on the Unit; however, any fine paid by the Owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner or occupant. The limitations on fines in this Section does not apply to suspensions or fines arising from failure to pay Assessments.

(h) The failure of Developer, the Association, or any Owner, or their respective successors or assigns, to enforce any covenant, restriction, obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall not be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

## **ARTICLE 22 PARTITION**

The undivided share in the Common Elements which is appurtenant to a Unit shall not be separated from it and shall pass with the title to the Unit, whether or not separately described. The share in the Common Elements appurtenant to a Unit cannot be conveyed or encumbered except together with the Units. Shares in the Common Elements appurtenant to Units are undivided, and no action for partition of the Common Elements shall lie.

**ARTICLE 23**  
**LIMITATION OF LIABILITY**

**23.1 Unit Owner Liability.**

The liability of each Unit Owner for Common Expenses shall be limited to the amounts assessed against him from time to time in accordance with the Condominium Act, this Declaration, the Articles and the Bylaws. A Unit Owner may be personally liable for any damages caused by the Association in connection with the use of the Common Elements, but only to the extent of his or her pro rata share of that liability in the same fractional share as his interest in the Common Elements, and in no event shall said liability exceed the value of his Unit. Each Unit Owner shall be liable for injuries or damages resulting from an accident in his own Unit to the same extent and degree that the owner of a house or any other property owner would be liable for such an occurrence.

**23.2 Association Liability.**

Notwithstanding anything contained in this Declaration, the Articles, Bylaws or rules and regulations of the Association or any other document governing or binding the Association ("Condominium Property Documents"), neither the Developer nor the Association will be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Unit Owner, occupant or user of any portion of the Condominium Property, including without limitation, residents, their families, guests, invitees, licensees, agents, servants, contractors or subcontractors, nor for any property of such persons. At the time of the recording of this Declaration, there is an unstaffed vehicular access gate at the entrance to the Condominium Property, which is intended to limit vehicular access to the Condominium Property, subject to the Developer's rights to access the Condominium Property as set forth in Sections 4.4 and 4.5. The gate is not intended to be a security gate or to protect a Unit Owner's person or property from the acts of third parties, and the Developer shall not be liable for any breaches of the gate, or whether or not the gate properly operates.

(a) It is the express intent of the Condominium Property Documents that the various provisions of the Condominium Property Documents which are enforceable by the Association and which govern or regulate the use of Condominium Property have been written and are to be interpreted and enforced for the sole purpose of enhancing and maintaining the enjoyment of the Condominium Property and the value thereof.

(b) Neither the Developer nor the Association is empowered to enforce or ensure compliance with the laws of the United States, the State of Florida or the County or any other jurisdiction or to prevent tortious activities by Unit Owners or third parties.

(c) The provisions of the Condominium Property Documents setting forth the uses of the Condominium Property that relate to health, safety or welfare will be interpreted as limitations on the uses of such funds and not as creating a duty of the Association or the Developer to protect or further the safety or welfare of the persons even if such funds are used for such purposes.

(d) Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for entry or damage, other than the cost of maintenance and repair, caused by any latent condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in the design or workmanship or other reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Unit Owners regardless of whether or not the same shall have been approved by the Association as provided hereunder. The Association shall not be liable to any Unit Owner or lessee or to any other person or entity for any property damage, personal injury, death or other liability on the grounds that the Association did not obtain

or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby or (ii) the Association could not obtain such insurance at reasonable cost or upon reasonable terms.

**23.3 Legal Action Against the Association.**

In any legal action in which the Association may be exposed to liability in excess of insurance coverage protecting it and the Unit Owners, the Association shall give notice of the exposure within a reasonable time to all Unit Owners, and they shall have a right to intervene in and defend any action arising therefrom.

**23.4 Unit Owner Covenant.**

Each Unit Owner, his heirs, successors and assigns, by virtue of his or her acceptance of title, and each other person or entity having an interest or lien upon, or making the use of, any portion of the Condominium Property, by virtue of accepting such interest or lien or by making use thereof, will be bound by this Section and will be deemed to have automatically waived any and all rights, claims, demands or causes of action against the Association or the Developer arising from or connected with any matter for which the liability of the Association or the Developer has been disclaimed in this Section.

**23.5 Noise Disclaimer.**

Each Unit Owner, by acceptance of a deed or other conveyance of his or her Unit, acknowledges and agrees that sound transmission in a multi-story building, such as a condominium, is very difficult to control, and that noises from adjoining or nearby Units or mechanical equipment, can often be heard in another Unit. The Developer does not make any representation or warranty as to the level of sound transmission between and among the Units and other portions of the Condominium Property and each Unit Owner waives and expressly releases such warranty and claim for loss or damages resulting from sound transmission.

(c) All taxes, assessments and charges which may become liens prior to the first mortgage under local law shall relate only to the individual Condominium Parcels and not to the Condominium Parcel as a whole.

In the event of such merger or consolidation, Common Expenses for residential condominiums in such a project being operated by a single association may be assessed against all Unit Owners in such project pursuant to the proportions or percentages established therefore in the Declarations as initially recorded or in the Bylaws as initially adopted, subject, however, to the limitations of Sections 718.116 and 718.302, Florida Statutes. The acts approved by a majority of the votes present at a meeting of which a quorum is present shall constitute the acts of the members, except when approval by a greater number of members is required by the Declaration of Condominium, the Articles of Incorporation, these Bylaws, or Chapter 718, Florida Statutes (the "Condominium Act").

2.5 Voting.

(a) In any meeting of members, the Owners of Units shall designate a "Primary Occupant" to be entitled to cast one vote for each Unit owned.

(b) If a Unit is owned by one person, the Primary Occupant for that Unit shall be established by the record title to the Unit. If any Unit is owned by more than one person, the Primary Occupant for the Unit shall be designated by a certificate signed by all of the record Owners of the Unit and filed with the Secretary of the Association. If a Unit is owned by a partnership, or any association of natural persons, or a corporation, a trust, or any other entity, such entity shall designate a natural person to serve as Primary Occupant for that Unit by a certificate signed by the President or duly authorized officer or agent and filed with the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit concerned. If such certificate is not on file, the vote of such Unit Owner shall not be considered in determining the requirement for a quorum nor for any other purpose.

2.6 Proxies. Votes may be cast in person or by proxy as defined and limited by Section 718.112(2)(b), Florida Statutes. A proxy may be made by any person entitled to vote and shall be effective only for the specific meeting for which originally given and any lawfully adjourned meeting thereof and in no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. The proxy shall be revocable at any time at the pleasure of the Unit Owner executing it, and must be filed with the Secretary before the appointed time of the meeting or any adjournment of the meeting.

2.7 Adjourned Meetings. If any meeting of the members cannot be organized because a quorum has not attended, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.

### **3. DIRECTORS**

The affairs of the Association shall be determined by a Board of Directors. The first Board of Directors shall consist of three (3) directors who need not be members of the Association. The Board of Directors may from time to time increase or decrease the number of persons to serve on the Board, provided, however, that the Board must always consist of an odd number of members, and provided, further, that there shall never be less than three (3) Directors on the Board. The Board shall remain at three (3) Directors until such time as the Developer transfers control of the Association to Unit Owners other than the Developer, at which time the Board shall consist of not less than five (5) members, all of whom shall be members of the Association. Any increase or decrease in the number of members on the Board shall be effectuated at least sixty (60) days prior to a regular annual election of the Board, and such change in number shall be effective as of the date of the next regular election. The term of the first Board of Directors or their replacements, shall continue until the Developer is required by statute to relinquish control or voluntarily relinquishes control of the Association. There shall be an annual meeting of the Unit Owners. Unless the bylaws provide otherwise, a vacancy on the Board of Directors caused by the expiration of a director's term shall be filled by electing a new board member, and the election shall be by secret ballot; however, if the number of vacancies equals or exceeds the number of candidates, no election is required. If there is no provision in the bylaws for term of the members of the Board of Directors, the terms of all members of the Board of Directors shall expire upon the election of their successors at the annual meeting. A person who has been convicted of any felony by any court of record in the United States and who has not had his or her right to vote restored pursuant to law in the jurisdiction of his or her residence is not eligible for Board membership. The validity of an action by the Board is not affected if it is later determined that a Director is ineligible for Board membership due to having been convicted of a felony.

3.1 **Election of Directors** shall be conducted in the following manner:

(a) Election of Directors shall be held at the annual members' meeting, with the first election being at the first member meeting required to be called pursuant to Section 718.301, Florida Statutes, to elect a Board member, or members, to provide for the percentage of Unit Owners other than the Developer on the Board of Directors as required by Section 718.301, Florida Statutes. Said election of Unit Owners other than the Developer shall take place in accordance with the procedures as set forth in the Condominium Act and the Florida Administrative Code effective as of the date of adoption of these Bylaws. Election of Directors thereafter shall be at each year's annual meeting.

(b) Except as to vacancies created by removal of directors by members, vacancies in the Board of Directors occurring between annual meetings of members shall be filled by the remaining directors.

(c) Subsequent to delivery of control of the Board to the Unit Owners other than the Developer, pursuant to Section 718.301, Florida Statutes, any member of the board of administration may be recalled and removed from office with or without cause, by the vote or agreement in writing by a majority of all Unit Owners. A special meeting of the Unit Owners to recall a member or members of the board of administration may be called by ten percent (10%) of the Unit Owners giving notice of the meeting as required for a meeting of Unit Owners, and the notice shall state the purpose of the meeting. Recall of Board members shall operate in accordance with Section 718.112(2)(j), Florida Statutes.

(d) Provided, however, that until the Developer has relinquished control of the Association, the first directors of the Association shall serve, and in the event of vacancies, the remaining directors shall fill the vacancies, and if there are no remaining directors, the vacancies

shall be filled by the Developer, and directors serving during the Developer's control cannot be removed by a vote pursuant to sub-paragraph (c) above. This shall not be interpreted or be construed so as to preclude annual meetings of the membership.

3.2 Directors' Term. The term of each director's service, subject to the provisions of Section 3.1(d) above, shall be as follows: The first Board elected subsequent to the transfer of control to the Unit Owners shall elect two (2) Board members for two years and the remaining Board members for one year. At the end of the initial term, they shall thereafter be elected for two year terms, thereby staggering the Board members. In the event of a five member Board of Directors or a larger Board of Directors, the majority number of Directors shall be elected every two (2) years.

3.3 Organization Meeting. The organization meeting of a newly-elected Board of Directors shall be held within ten (10) days after their election at such place and time as shall be fixed by the Directors at the meeting at which they were elected, and a notice of such meeting shall be posted conspicuously on the condominium property at least forty-eight (48) continuous hours preceding the meeting.

3.4 Regular Meeting. Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the directors. Notice of regular meetings shall be given to each director, by mail, hand delivery, or electronic transmission, at least forty-eight (48) continuous hours prior to the day named for such meeting. Notice to members of Directors' meetings shall be given by posting such notice in a conspicuous place forty-eight (48) continuous hours in advance of the meeting. The meeting shall be open to all Unit Owners who shall have the right to speak at such meetings with reference to all designated agenda items. The Board of Directors may adopt written reasonable rules governing the frequency, duration and manner of Unit Owner statements.

3.5 Action Taken Without a Meeting. To the extent permitted by law, the Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all of the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

3.6 Special Meetings. Special meetings of the Board of Directors may be called by the President and must be called by the Secretary at the written request of one-third of the Directors. Not less than forty-eight (48) hours notice of the meeting shall be given by mail, hand delivery, or electronic transmission, which notice shall state the time, place and purpose of the meeting. Notice to members of Directors' meetings shall be given by posting such notice in a conspicuous place forty-eight (48) continuous hours in advance of the meeting. The meeting shall be open to all Unit Owners who shall have the right to speak at such meetings with reference to all designated agenda items. The Board of Directors may adopt written reasonable rules governing the frequency, duration and manner of Unit Owner statements.

3.7 Waiver of Notice. Any director may waive notice of a meeting before or after the meeting and such waiver shall be deemed equivalent to the giving of notice.

3.8 Quorum. A quorum at directors' meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except when approval by a greater number of directors is required by the Declaration of Condominium, the Articles of Incorporation or these Bylaws.

3.9 Adjourned Meeting. If at any meeting of the Board of Directors there be less than a quorum present, the majority of those present may adjourn the meeting from time to time. No further notice need be given of an adjourned meeting.

3.10 Joinder by Director. A director who is present at a meeting is presumed to have assented to an action unless he votes otherwise. A member of the Board may submit in writing his or her agreement or disagreement with any action taken at a meeting that the member did not attend. This agreement or disagreement may not be used as a vote for or against the action taken and may not be used for the purposes of creating a quorum.

3.11 Presiding Officer. The presiding officer of Directors' meetings shall be the Chairman of the Board if such an officer has been elected; and if none, the President shall preside. In the absence of the presiding officer, the directors present shall designate one of their number to preside.

3.12 Order of Business. The order of business at directors' meetings shall be:

- (a) Calling of roll;
- (b) Proof of due notice of meeting;
- (c) Reading and disposal of any unapproved minutes;
- (d) Reports of officers and committees;
- (e) Election of officers;
- (f) Unfinished business;
- (g) New business; and
- (h) Adjournment.

3.13 No Fee for Service. A Director shall not be entitled to, nor paid any fee for his services as a Director.

3.14 Telephone or Other Attendance. A Director shall be considered as present for a regular or special meeting if he is in simultaneous communication by telephone or other media with all other Directors, as well as with any Unit Owners present at the meeting. A telephone speaker must be used so that the conversation of those Directors attending by telephone or other media may be heard by the other Directors as well as by any Unit Owners present at the meeting.

#### **4. POWERS AND DUTIES OF THE BOARD OF DIRECTORS**

4.1 Powers and Duties of Association. All of the powers and duties of the Association existing under the Condominium Act, Declaration of Condominium, Articles of Incorporation and these Bylaws, shall be exercised exclusively by the Board of Directors, subject only to the approval by Unit Owners where such approval is specifically required. Without limiting the powers and duties of the Board of Directors, it shall have the following express powers, in addition to all others herein granted, and provided for by the Declaration of Condominium and the Condominium Act:

## 5. OFFICERS

5.1 Officers. The officers of the Association shall be a President and Vice President, who shall be a Director, Secretary and a Treasurer, all of whom shall be elected annually by the Board of Directors, and such other officers as the Board of Directors may, from time to time, designate. ## 6. FISCAL MANAGEMENT

The provisions for fiscal management of the Association set forth in the Declaration of Condominium, Articles of Incorporation of the Association, and the Condominium Acts shall be supplemented by the following provisions.

6.1 Accounts. The receipts and expenditures of the Association shall be credited and charged to accounts under the following classifications as shall be appropriate, all of which expenditures shall be common expenses:

(a) Current Expenses. Current expenses, which shall include all receipts and expenditures within the year for which the budget is made, including, if applicable, but not limited to those expenses listed in Section 718.504(21), Florida Statutes, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves, to additional improvements or to operations. The balance in this fund at the end of each year shall be applied to reduce the assessments for operating expenses for the succeeding year, or may be distributed to the membership, as the Directors shall determine.

(b) Reserve Accounts. Reserve accounts for capital expenditures and deferred maintenance. Each of these accounts shall include, but not be limited to roof replacement, building painting, and pavement resurfacing. The establishment and funding of these reserve accounts shall be subject to the conditions and exceptions set forth in Section 718.112(2)(f), Florida Statutes.

(c) Operations. Operations, which shall include gross revenues from the use of Common Elements and from other sources. Only the additional direct expense required by any revenue producing operation will be charged to this account, and any surplus from any operation shall be used to reduce the assessments for current expense for the year during which the surplus is realized.

6.2 Budget. The Board of Directors shall adopt a Budget for each fiscal year that shall include the estimated funds required to defray the common expense and to provide and maintain funds for reserves. The form of the annual budget shall be in conformance with Sections 718.111, 718.112 and 718.504(21), Florida Statutes. A copy of the Budget shall be delivered by mail or hand delivery at the address of the Unit Owner last furnished to the Association not less than fourteen

(14) days prior to the meeting of the Unit Owners or the Board of Directors at which it is to be considered, together with a notice of that meeting. If an adopted budget requires assessment against the Unit Owners in any fiscal or calendar year exceeding one hundred fifteen percent (115%) of the assessments for the preceding year and the Board receives, within twenty-one (21) days after adoption of the annual budget, written application of ten percent (10%) of the Unit Owners to consider a substitute budget, the Board shall call a special meeting of the Unit Owners for such consideration which special meeting shall be conducted within sixty (60) days after adoption of the annual budget and notice of the special meeting shall be hand delivered, mailed or electronically transmitted (to those Unit Owners who consent to receive notice by electronic transmission) to each Unit Owner at least fourteen (14) days prior to such special meeting. At the special meeting, the Unit Owners shall consider and enact a budget. The adoption of the budget requires a vote of not less than a majority of the vote of all Unit Owners. The budget shall be considered adopted if approved by a majority of the Unit Owners at the meeting or in writing. If a meeting of the Unit Owners has been called and a quorum is not attained or a substitute budget is not adopted by the Unit Owners, then the budget adopted by the Board of Directors goes into effect as scheduled. In determining whether assessments exceed one hundred fifteen percent (115%) of similar assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the Condominium property, anticipated expenses by the Condominium Association which are not anticipated to be incurred on a regular annual basis, or assessments for betterments to the Condominium property must be excluded from the computation. However, as long as the Developer is in control of the Board of Administration, the Board may not impose an assessment for any year greater than one hundred fifteen percent (115%) of the prior fiscal or calendar year's assessment without approval of the majority of all of the Unit Owners.

6.3 Assessments. Assessments against the Unit Owners for their share of the items of the budget shall be made for the fiscal year annually, in advance, 30 days preceding the fiscal year for which the assessments are made. Such assessments shall be due and payable as determined by the Board of Directors, but not less frequently than quarterly. If an annual assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment, and payments on such assessment shall be due and payable in the same manner as the prior assessment. In the event the annual assessment proves to be insufficient, the budget and assessments may be amended at any time by the Board of Directors. Unpaid assessments for the remaining portion of the fiscal year for which an amended assessment is made shall be payable as determined by the Board of Directors. Provided, nothing herein shall serve to prohibit or prevent the Board of Directors from imposing a lump sum assessment in case of any immediate need or emergency.

6.4 Acceleration of Assessment Installments Upon Default. If a Unit Owner shall be in default in the payment of an assessment, the Board of Directors may accelerate the remaining quarterly balance of the assessment upon notice to the Unit Owner, and the then unpaid quarterly balance of the assessment shall be due upon the date stated in the notice, but not less than five (5) days after delivery of the notice to the Unit Owner, or not less than ten (10) days after the mailing of such notice to him by registered or certified mail, whichever shall first occur.

6.5 Depository. The depository of the Association shall be such bank or savings and loan association as shall be designated from time to time by the directors and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by such persons as are authorized by the directors, provided that a Management Agreement may include in its provisions authority in a designated agent to sign checks on behalf of the Association for payment of the obligations of the Association.

6.6 Fidelity Bonds. Fidelity bonds shall be required by the Board of Directors for all persons including officers and Directors controlling or disbursing funds of the Association in

accordance with Section 718.111(11)(d), Florida Statutes. The premiums on such bonds shall be paid by the Association.

6.7 Financial Records.

(a) Within ninety (90) days following the end of the fiscal year, the Board of Directors of the Association shall prepare and complete, or cause to be prepared and completed by a third party, a complete financial report for the preceding fiscal year prepared in accordance with generally accepted accounting principles. Within twenty-one (21) days after the financial report is completed or received by the Association, the Association shall mail to each Unit Owner at the address last furnished to the Association by the Unit Owner, or hand deliver to each Unit Owner, a copy of the financial report or a notice that a copy of the financial report will be mailed, hand delivered or electronically transmitted (to those Unit Owners who consent to receive notice by electronic transmission) to the Unit Owner, without charge, upon receipt of a written request from the Unit Owner.

(b) The financial statements shall be based upon the Association's total annual revenues, as follows:

(i) If the Association's total annual revenues are \$100,000 or more, but less than \$200,000, the Association shall prepare compiled financial statements;

(ii) If the Association's total annual revenues are at least \$200,000, but less than \$400,000, the Association shall prepare reviewed financial statements;

(iii) If the Association's total annual revenues are \$400,000 or more, the Association shall prepare audited financial statements; and

(iv) If the Association's total annual revenues are less than \$100,000, the Association shall prepare a report of cash receipts and expenditures. A report of cash receipts and disbursements must disclose the amount of receipts by accounts and receipt classifications and the amount of expenses by accounts and expense classifications, including, but not limited to, the following, as applicable: costs for security, professional and management fees and expenses, taxes, costs for recreation facilities, expenses for refuse collection and utility services, expenses for lawn care, costs for building maintenance and repair, insurance costs, administration and salary expenses, and reserves accumulated and expended for capital expenditures, deferred maintenance, and any other category for which the association maintains reserves.

(c) The Association may prepare or cause to be prepared, without a meeting or approval by the Unit Owners:

(i) Compiled, reviewed, or audited financial statements, if the Association is required to prepare a report of cash receipts and expenditures;

(ii) Reviewed or audited financial statements, if the Association is required to prepare compiled financial statements; or

(iii) Audited financial statements if the Association is required to prepare reviewed financial statements

## **7. PARLIAMENTARY RULES**

Roberts' Rules of Order (latest edition) shall govern the conduct of the Association meetings when not in conflict with the Declaration of Condominium, Articles of Incorporation, or these Bylaws.

## **8. AMENDMENTS**

A resolution for the adoption of a proposed amendment of these Bylaws may be proposed by either the Board of Directors of the Association or by the members of the Association. Members may propose such an amendment by instrument in writing directed to the President or Secretary of the Board signed by not less than twenty percent (20%) of the membership. Amendments may be proposed by the Board of Directors by action of a majority of the Board at any regularly constituted meeting thereof. Upon an amendment being proposed as herein provided for, the President or, in the event of his refusal or failure to act, the Board of Directors, shall call a meeting of the membership to be held within sixty (60) days for the purpose of considering said amendment. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, providing such approval is delivered to the Secretary at or prior to the meeting, and provided, however, that such approval or disapproval expressed by any Director not present may not be used as a vote for or against any such amendment and may not be used for the purposes of creating a quorum at such meeting. Except as elsewhere provided, such approvals must be by not less than sixty-six and two-thirds percent (66 2/3%) of the votes of the entire membership of the Association.

8.1 **Proviso.** Provided, however, that no amendment shall discriminate against any condominium Unit Owner nor against any Condominium Parcel or class or group of Units unless the Condominium Parcel Owners so affected shall consent. No amendment shall be made that is in conflict with the Articles of Incorporation or the Declaration of Condominium. For so long as the Developer has the right to appoint the majority of the members of the Board of Directors, any amendment to these Bylaws shall require the prior written approval of the Department of Housing and Urban Development ("HUD"), the Federal Home Administration ("FHA") or the Veterans Administration ("VA") in accordance with the regulations of the U.S. Department of Housing and Urban Development. Each amendment shall, on the first page, identify the book and page of the public records where the declaration of each condominium operated by the Association is recorded.

8.2 **Execution and Recording.** A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted as an amendment of the Declaration and Bylaws, which certificate shall be executed by The President or duly qualified officer of the Association with the formalities of a deed. The amendment shall be effective when such certificate shall be annexed to and recorded with an amendment to the Declaration of Condominium where the Condominium is located.

8.3 **Format of Amendment.** No Bylaws shall be revised or amended by reference to its title or number only. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended; new words shall be inserted in the text underlined, and words to be deleted shall be lined through with hyphens. Non-material errors or omissions in the Bylaw process shall not invalidate and otherwise properly promulgate an amendment. Extensive changes to the Bylaws may be changed in accordance with Section 718.112(2)(h), Florida Statutes.

**9. CERTIFICATE OF COMPLIANCE**

A certificate of compliance from a licensed electrical contractor or electrician may be accepted by the Board of Directors as evidence of the Units' compliance with applicable fire and life safety codes.

**10. ARBITRATION**

In the event of a dispute between the Association and one or more Unit Owners, each party shall submit to mandatory, non-binding arbitration in accordance with Section 718.1255(4), Florida Statutes.

**11. RESPONSE TO INQUIRY**

When a Unit Owner files a written inquiry by certified mail with the Board of Directors, the Board will respond in writing to the Unit Owner within thirty (30) days of the inquiry. The Board's response will either: (i) give a substantive response, (ii) notify the Unit Owner that legal advice has been requested, or (iii) notify the Unit Owner that advice has been requested from the Division of Florida Land Sales, Condominiums and Mobile Homes of the Department of Business and Professional Regulation.

The foregoing were adopted as the Bylaws of the Association at the first meeting of the Board of Directors.
