# DECLARATION OF COVENANTS AND RESTRICTIONS FOR WHISPER GLEN

# ARTICLE I MUTUALITY OF BENEFIT AND OBLIGATION

- Section 1.1 <u>Mutuality</u>. The covenants, restrictions, and agreements set forth in this Declaration are made for the mutual and reciprocal benefit of every parcel within the Property, and are intended to create mutual equitable servitudes upon each such parcel in favor of the other parcels, to create reciprocal rights among the respective Owners, and to create privity of contract and an estate between the grantees of each and every parcel within the Property, their heirs, successors and assigns.
- Section 1.2 <u>Benefits and Burdens</u>. Every person who is an Owner does by reason of taking title to land located within the Property agree to all the terms and provisions of this Declaration and shall be entitled to its benefits and subject to its burdens.

# ARTICLE II DEFINITIONS

The following words, when used in this Declaration shall have the following meanings:

- Section 2.1 <u>Association</u>. The WHISPER GLEN Homeowners Association, Inc., a Florida corporation not-for-profit. This is the Declaration to which the Articles of Incorporation (the "Articles") and Bylaws (the "Bylaws") of the Association make reference. Copies of the Articles and Bylaws are attached as Exhibits B and C, respectively.
  - Section 2.2 **Board**. The Board of Directors of the Association.
- Section 2.3 <u>Common Area</u>. All real property (including easements, licenses and rights to use real property) and personal property located within or adjacent to the Property, if any, which is owned by the Developer, or by the Association, and which the Developer has designated for the common use of the Owners by reference thereto in this Section 2.3, or by recording a Supplementary Declaration, pursuant to the terms of Section 5.3 hereof. The Common Area initially designated by the Developer shall consist of the real property (and interests therein) more particularly described on Exhibit D attached hereto and made a part hereof together with all improvements constructed therein by Developer, but not owned or maintained by a public or private utility company.

- Section 2.4 **Developer**. MERIDIAN OAKS, LLC, and its successors and such of its assigns as to which the rights of the Developer hereunder are specifically assigned. Developer may assign all or only a portion of such rights in connection with portions of the Property. In the event of such a partial assignment, the assignee may exercise such rights of the Developer as are specifically assigned to it. Any such assignment may be made on a non-exclusive basis. Reference in this Declaration to MERIDIAN OAKS, LLC, as the Developer of the Property is not intended and shall not be construed, to impose upon MERIDIAN OAKS, LLC, any obligations, legal or otherwise, for the acts or omissions of third parties who purchase lots or parcels within the Property from MERIDIAN OAKS, LLC, and develop and resell the same.
- Section 2.5 <u>Limited Common Area</u>. The Limited Common Area of a Lot shall consist of the portion of the Property between the front Lot line and the nearest edge of the paved road surface (as it may exists from time to time) and between the rear Lot line and the nearest shore line of any lake contiguous to or within twenty (20) feet of the Lot, within the area bounded by the extension of the side Lot lines, together with any portion of the Property contiguous to a Lot which, as a result of the natural configuration of the Property, is primarily of benefit to such Lot. Any question concerning the boundary of a limited common area shall be determined by the Board of Directors of the Association.
- Section 2.6 **Lot**. Any platted Lot or any other parcel of real property located within the Property, on which one or more residential dwellings have been or could be constructed.
  - Section 2.7 **Owner**. The record owner or owners of any Lot.
- Section 2.8 **Property or Subdivision**. The real property described on the attached Exhibit A and such additions and deletions thereto as may be made in accordance with the provisions of Sections 3.2 and 3.3 of this Declaration.
- Section 2.9 <u>Surface Water or Stormwater Management System</u>. A system which is designed and constructed or implemented within the Property to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use or reuse water to prevent or reduce flooding, overdrainage, environmental degradation, and water pollution or otherwise affect the quantity and quality of discharges from the system, as permitted pursuant to Chapters 4OC-4, 4OC-40, or 4OC-42, F.A.C. or regulations of similar import. For purposes of this Declaration, the Surface Water or Stormwater Management System shall be deemed to be a part of the Common Area.

# ARTICLE III PROPERTY SUBJECT TO THIS DECLARATION: ADDITIONS AND DELETIONS

Section 3.1 **No Implied Extension of Covenants**. Each Owner and each tenant of any improvements constructed on any Lot, by becoming an Owner or tenant, shall be deemed to have agreed that (a) the Property described on Exhibit A and such additional property as may be annexed pursuant to Section 3.2 hereof shall be the only Property subject to this Declaration, (b) that nothing contained in this Declaration or in any recorded or unrecorded plat, map,

picture, drawing, brochure or other representation of a scheme of development, shall be construed as subjecting, or requiring the Developer to subject any other property now or hereafter owned by the Developer to this Declaration, and (c) that the only manner in which additional land may be subjected to this Declaration is by the procedure set forth in Section 3.2 hereof.

- Section 3.2 Additional Lands. Developer may, but shall not be obligated to, subject additional land to this Declaration (or to the assessment provisions of this Declaration) from time to time provided only that (a) any additional land subjected to this Declaration (or its assessment provisions) shall be contiguous to the Property then subject to this Declaration (for purposes of this Section 3.2, property separated only by public or private roads, water bodies, golf courses, or open space shall be deemed contiguous), and (b) the Owners of property within additional lands made subject to this Declaration (or its assessment provisions) shall be and become subject to this Declaration (or its assessment provisions), and shall be responsible for their pro rata share of common expenses for which assessments may be levied pursuant to the terms of Article VII of the Declaration. Addition of lands to this Declaration shall be made and evidenced by filing in the public records of Duval County, Florida, a Supplementary Declaration executed by the Developer with respect to the lands to be added. Developer reserves the right to supplement this Declaration to add land to the scheme of this Declaration (or its assessment provisions) pursuant to the foregoing provisions without the consent or joinder of any Owner or mortgagee of land within the Property.
- Section 3.3 <u>Withdrawal of Lands</u>. With the consent and joinder of Owners holding a majority of the votes in the Association, the Developer may, but shall have no obligation to, withdraw at any time, or from time to time, portions of the Property from the terms and effect of this Declaration. Upon the Developer's request, the consent and joinder of each and every Owner to such withdrawal shall not be unreasonably withheld. The withdrawal of lands as aforesaid shall be made and evidenced by filing in the public records of Duval County, Florida, a Supplementary Declaration executed by the Developer with respect to the lands to be withdrawn.

# ARTICLE IV THE ASSOCIATION

- Section 4.1 <u>Membership</u>. Each Owner, including the Developer (at all times so long as it owns any part of the Property), shall be a member of the Association, provided that any such person or entity who holds such interest only as security for the performance of an obligation shall not be a member. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot.
- Section 4.2 <u>Classes and Voting</u>. The Association shall have two classes of membership:
- (a) <u>Class A Members</u>. The Class A Members shall be all Owners, with the exception of the Developer, who shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members of the Association. However, the vote for any such Lot shall be exercised as the Owner's thereof shall determine, but in no event shall more than one vote be cast with respect to any Lot.

3

- (b) <u>Class B Members</u>. The Class B Member shall be the Developer who shall be entitled to three (3) votes for each Lot owned by the Developer. The Class B Membership shall cease and be converted to Class A Membership on the happening of either of the following events, whichever occurs earlier:
  - (i) December 31, 2007;
- (ii) Three (3) months after the final Lot has been conveyed to members of the Association other than the Developer; or
- (iii) Such earlier date as the Developer may choose to terminate the Class B Membership upon notice to the Association.

### ARTICLE V COMMON AREA RIGHTS

- Section 5.1 <u>Conveyance of Common Area</u>. Developer agrees that all of the Common Area owned by Developer, except those portions of the common area lying within a platted lot, shall be conveyed or assigned to the Association, subject to covenants, easements, restrictions and other matters of record, before the date which is ninety (90) days following the termination of the Class B Membership. Upon the recording of any deed or deeds conveying Common Area to the Association, the Association shall be conclusively deemed to have accepted the conveyance evidenced by such deed or deeds.
- Section 5.2 <u>Owners' Easement of Enjoyment</u>. Each Owner shall have a right and easement of enjoyment in and to the Common Area for its intended purpose, which shall be appurtenant to, and shall pass with, the title to the land of such Owner, subject to the following:
- (a) The right of the owner of the Common Area, with the consent of the Developer (if different from such owner) to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility; provided however, the Common Area may not be mortgaged or conveyed free and clear of the provisions of this Declaration without the approval of Members holding two-thirds (2/3) of the total votes that are allocated to the Association's members;
- (b) All provisions of this Declaration, any plat of all or any parts of the Property, and governmental restrictions;
- (c) Reasonable rules and regulations governing use and enjoyment of the Common Area adopted by the Developer or the Association;
- (d) The rights of the Developer under Section 5.3 to add to or withdraw land from the Common Area;
  - (e) Easements, restrictions, agreements and other matters of record.

4

The foregoing easement of enjoyment in favor of the Owners shall not be construed to create or imply any other easements or rights not expressly created by this Declaration, it being the intent hereof to limit the Owners' rights of use of specific portions of the Common Area to only the intended purposes of such portions of the Common Area. For example, the creation of each Owner's right to drain such Owner's Lot into the portions of the Common Area included within the Surface Water or Stormwater Management System, does not create any right of access by any Owner to such portions of the Common Area over any other Owner's Lot or other privately owned portions of the Subdivision.

Right of the Developer to Designate Property as Common Area or Section 5.3 to Withdraw Property from the Common Area. Notwithstanding anything to the contrary contained in this Declaration, the Developer shall have the right, in its sole discretion, to designate land, easements, use rights and personal property owned by the Developer as Common Area, provided only that such land shall be located within the Property or contiguous to the Property (for purposes of this Section 5.3, property separated only by public or private roads, water bodies, golf courses, or open space shall be deemed contiguous). For so long as the Developer shall own any Lot, the Developer may, at any time, withdraw, or cause to be withdrawn, land from the Common Area in the Developer's sole discretion. The prior sentence notwithstanding, in the event such withdrawal of Common Area shall materially and adversely affect any Lot, or materially and adversely affect access, visibility, or drainage to or from any Lot, the Developer shall not have the right to withdraw such Common Area without the consent and joinder of the Owner of the Lot which is so affected. Addition of land to and withdrawal of land from the Common Area shall be evidenced by recording a Supplementary Declaration in the public records of Duval County, Florida, which shall specifically reference such addition or withdrawal. Withdrawal of land from the Common Area by the Developer shall terminate any and all easements and rights of use of the Owners in such land. No land owned by the Developer shall be deemed to be Common Area unless such land is expressly referenced as such under Section 2.3 hereof, or subsequently designated as such by the Developer pursuant to Section 2.3 hereof and this Section 5.3, even if the Developer consents or acquiesces to the use of such land by the Owners. In the event any land, easements, use rights, or personal property owned by the Association shall be withdrawn from the Common Area pursuant to this Section 5.3, upon the Developer's written request, the Association shall promptly execute and deliver to the Developer any and all deeds, bills of sale, assignments or other conveyance documents as may be necessary or appropriate to effectuate the withdrawal of such Common Area. Notwithstanding anything to the contrary contained in this Section, the withdrawal by the developer of any parts of the common area will not include any portions of the surface water or stormwater management system without the prior written approval of St. Johns River Water Management District.

Section 5.4 Maintenance of Common Area, Entrance Sign, and Compliance with Applicable Permits. The Association shall at all times manage, operate, and insure the Common Area and maintain in good repair and replace as often as necessary any improvements thereon or personal property of the Association, specifically the subdivision entrance sign, Recreational Park, located on Tract "B", as shown on Exhibit D-2, and the 20' landscape buffer which runs North and South along Old Middleburg Road as shown on Exhibit D-1 and D-2. Utilities owned and maintained by public or private utility companies providing water, sewer, electrical, fire protection, cable television, telephone, or similar utilities to the Property, or any portion thereof situated on the Common Area, if any, are excluded. The Association shall

5

maintain all lakes, drainage areas, drainage easements, and control structures, and shall preserve and protect all designated conservation areas and littoral zones located within, adjacent, or in near proximity to the Property, in accordance with all permit requirements and conditions contained in applicable dredge fill, consumptive use, surface water permits, or any other applicable permits issued by the United States Army Corps of Engineers ("ACOE"), Florida Department of Environmental Protection ("FDEP"), St. Johns River Water Management District ("SJRWMD"), and Duval County, Florida and all statutes, rules, regulations and requirements pertaining to surface water management, drainage and water quality promulgated by the SJRWMD, the FDEP, and all other local, state and federal authorities having jurisdiction. The Association shall maintain those portions of the Common Area designated by applicable permit as conservation tracts, stormwater management tracts or similar designations, in accordance with all permit requirements, rules, and regulations promulgated by all local, state and federal authorities having jurisdiction. The Association shall be responsible for the maintenance, operation, and repair of the Surface Water or Stormwater Management System. Maintenance of the Surface Water or Stormwater Management System shall mean the exercise of practices, which allow the system to provide drainage, water storage, conveyance of other surface water, or stormwater management capabilities as permitted by the SJRWMD. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be as permitted, or if modified, as approved by the SJRWMD. All maintenance obligations of the Association shall be performed as ordered by the Board of Directors of the Association, and all or any portion of the cost of such maintenance incurred by the Association pursuant to this Section 5.4, shall be a common expense of the Association to be collected and paid in the manner prescribed by this Declaration.

Section 5.5 **Easement for Maintenance Purposes**. The Developer hereby grants to the Association and its successors, assigns, agents, and contractors, a perpetual easement in, on, over and upon those portions of the Property as may be reasonably necessary for the purpose of maintaining the Common Area, including the Surface Water or Storm Water Management System, or other portions of Property to be maintained by Association, in accordance with the requirements of this Declaration. By this easement, the Association shall have the right to enter upon any portion of any lot which is part of the surface water or stormwater management system, at a reasonable time and in a reasonable manner, to operate, maintain, or repair the surface water or stormwater management system as required by the St. Johns River Water Management District permit.

### ARTICLE VI ARCHITECTURAL CONTROL

Section 6.1 Architectural Review and Approval. Except for the initial construction of residential dwellings and related structures, landscaping, and other improvements ("Initial Construction"), no landscaping, improvement or structure of any kind, including without limitation, any building, fence, wall, screen enclosure, sewer, drain, disposal system, landscape device or object, driveway or other improvement shall be commenced, erected, placed or maintained upon any Lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same have been submitted to, and approved in writing by the Association. All plans and specifications shall be evaluated as to visual and acoustical privacy and as to the harmony of external design and location in relation to surrounding structures, topography, existing trees and other natural vegetation and as to

()

specific conformance with architectural criteria which may be imposed from time to time by the Developer or the Association. It shall be the burden of each Owner to supply two (2) sets of completed plans and specifications including placement of all improvements on the lot, to the Architectural Review Board ("ARB") and no plan or specification shall be deemed approved unless a written approval is granted by the ARB to the Owner submitting same. The ARB shall approve or disapprove plans and specifications properly submitted within thirty (30) days of each submission. Any change or modification to an approved plan shall not be deemed approved unless a written approval is granted by the ARB to the Owner submitting same.

- Section 6.2 <u>Architectural Review Board</u>. The architectural review and control functions of the Association shall be administered and performed by the ARB, which shall consist of three (3) or five (5) members who need not be members of the Association. The Board of Directors of the Association shall have the right to appoint all of the members of the ARB. A majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB, and the action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board of Directors.
- Section 6.3 powers and duties: Powers and Duties of the ARB. The ARB shall have the following
- (a) To recommend amendments to the architectural criteria to the Board at such time as the Board shall have the right to adopt or amend architectural criteria for the Property. For so long as the Developer shall be entitled to elect or appoint a majority of the members of the Board, only the Developer shall have the right to promulgate, amend, eliminate, or replace architectural criteria applicable to architectural review to be conducted by the Association. At such time as members of the Association shall elect a majority of the members of the Board, such architectural criteria shall be promulgated, amended, eliminated, or replaced by the Board. Any amendment of the architectural criteria shall be consistent with the provisions of this Declaration. Notice of any amendment to the architectural criteria, which shall include a verbatim copy of such amendment, shall be delivered to each member of the Association. The delivery to each member of the Association of notice and a copy of any amendment to the architectural criteria shall not, however, constitute a condition precedent to the effectiveness or validity of such amendment. It shall not be necessary for the architectural criteria or any amendment thereto, to be recorded.
- (b) To require submission to the ARB of two (2) complete sets of all plans and specifications for any improvement or structure of any kind requiring review and approval of the ARB pursuant to this Article VI. The ARB may also require submission of samples of building materials proposed for use on any Lot, and may require tree surveys to show the effect of the proposed improvements on existing tree cover, and such additional information as reasonably may be necessary for the ARB to completely evaluate the proposed structure or improvement in accordance with this Declaration and applicable architectural criteria.
- (c) To approve or disapprove in accordance with the provisions of this Article VI, any improvements or structures of any kind (other than Initial Construction), or any change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot, and to approve or disapprove any exterior additions, changes,

modifications or alterations therein or thereon. All decisions of the ARB may, but need not be evidenced by a certificate in recordable form executed under seal by the President or any Vice President of the Association. Any party aggrieved by a decision of the ARB shall have the right to make a written request to the Board, within thirty (30) days of such decision, for a review thereof. The determination of the Board upon review of any such decision shall be dispositive.

- (d) To adopt a schedule of reasonable fees for processing requests for ARB approval of proposed improvements. Such fees, if any, shall be payable to the Association, in cash, at the time that plans and specifications are submitted to the ARB.
- Section 6.4 <u>Compensation of ARB</u>. The Board may, at its option, pay reasonable compensation to any or all members of the ARB.
- Section 6.5 **Review of Initial Construction by Developer**. No Initial Construction shall be commenced upon any Lot unless and until the plans, specifications and location of the same have been submitted to, and approved by, the Developer in writing. All plans and specifications shall be evaluated as to visual and acoustical privacy, as to harmony of external design and location in relation to surrounding structures, if any, topography, existing trees and other natural vegetation, and as to consistency with this Declaration and architectural criteria made applicable to Initial Construction by the Developer from time to time.
- Section 6.6 <u>Variance</u>. The Developer and the ARB may authorize variances from compliance with any architectural provisions this Declaration or applicable architectural criteria when circumstances such as topography, natural obstructions, hardships, or aesthetic or environmental considerations require same. Such a variance must be evidenced by a document signed by an authorized representative of the Developer or ARB, as applicable. If such a variance was granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variance was granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and particular provisions of this Declaration or applicable architectural criteria covered by the variance, nor shall it effect in any way an Owner's obligation to comply with all governmental laws and regulations, including but not limited to, zoning ordinances and setback lines or requirements imposed by any governmental or municipal authority.
- Section 6.7 <u>Limited Liability</u>. In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from the Developer, the ARB, or the Association as contemplated by this Article VI, neither the Developer, the ARB, nor the Association shall be liable to an Owner or to any other person on account of any claim, liability, damage or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way related to the subject matter of any such reviews, acceptances, inspections, permissions, consents or required approvals, whether given, granted or withheld by the Developer, the ARB, or the Association.

# ARTICLE VII COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 7.1 <u>Creation of the Lien and Personal Obligation of Assessments</u>. Each Owner of a Lot within the Property hereby covenants, and by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual assessments, and any special assessments established and collected as hereinafter provided. All such assessments, together with interest thereon from the due date at the highest lawful rate and costs of collection thereof (including reasonable attorneys' fees), shall be a charge and continuing lien upon each Lot against which each such assessment is made, and shall also be the personal obligation of each Owner. No Owner may avoid liability for the assessments by waiver of rights to use, or by non-use of, the Common Areas or by abandonment.

#### Section 7.2 **Purpose of Assessments.**

- 7.2.1 The annual assessments levied by the Association shall be used for the purposes of management and accounting fees, taxes, insurance, and utility charges relating to the Common Area, to fund the obligations of the Association set forth in Section 5.4 hereof, and for all other purposes reasonably contemplated by this Declaration, the Articles, the Bylaws, or any cost sharing or similar agreement to which the Association is or may become a party. Further, such annual assessments may be levied to fund reasonable reserves for deferred maintenance of, or non-recurring expenses related to, the Common Area including, the Surface Water or Stormwater Management System. The maintenance responsibilities of the Association payable through assessment of the Owners shall specifically include, but not be limited to, the perpetual maintenance of all retention ponds, drainage swales, and all other drainage and stormwater management improvements lying within the Property, and all other such improvements, constituting a part of the Surface Water or Stormwater Management System permitted by the St. Johns River Water Management District under Permit No. 40-031-79934-1 (the "Surface Water Permit") including all operation, sampling, testing, monitoring and maintenance requirements as specified by the Surface Water Permit. Assessments collected by the Association to fund reserves shall be separately accounted for, it being the requirement of this Declaration that such funds shall be used exclusively for deferred maintenance of, or nonrecurring expenses related to, the Common Area including the Surface Water or Stormwater Management System.
- 7.2.2 The Board of Directors may levy special assessments for any purpose relating to permissible or required activities of the Association pursuant to this Declaration, the Articles, or the Bylaws. Any funds collected pursuant to such a special assessment shall be used solely for the purpose or purposes identified by the Board of Directors at the time such special assessment is levied.
- Section 7.3 <u>Calculation and Collection of Assessments</u>. Annual assessments shall be established by the Board of Directors based upon an annual budget. Each Owner's pro rata share of the total annual assessment or any special assessment shall be based upon the following calculations:

- (a) Owners of Lots shall pay a pro rata share of annual and special assessments which shall be allocated among the Owners as provided in subparagraph (b) of this Section 7.3 Except as hereafter provided, the annual assessment amount allocated to each Lot as of January 1, 2003, is Two Hundred & NO Dollars (\$200.00) per Lot. From and after December 31, 2003, such amount may be decreased or increased as deemed necessary to maintain the business of the Association by the Board of Directors.
- (b) All annual and special assessments shall be established at a uniform rate per Lot.
- (c) The assessment obligations of each Owner other than the Developer shall commence upon the recording of this Declaration in the current public records of Duval County, Florida. Annual assessments shall be collectable in advance on a periodic basis established by the Board of Directors from time to time, which periodic basis shall not be less frequent than annually. Special assessments shall be collectible in advance in the manner established by the Board of Directors at the time such special assessments are authorized.
- Section 7.4 Effect of Non-Payment of Assessment: Lien, Personal Obligation, and Remedies of Developer. The lien of the Association shall be effective from and after recording in the public records of Duval County, Florida, a claim of lien stating the description of the Lot encumbered thereby, the name of the Owner, the amount, and the due date. Such claim of lien shall include assessments which are due and payable when the claim of lien is recorded as well as assessments which may accrue thereafter, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as herein provided. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record, and the affected Owner shall pay the cost of such satisfaction. If the assessment is not paid within fifteen (15) days after the due date, the assessment shall bear interest from the due date at the highest lawful rate, and the Association may at any time thereafter bring an action to enforce the lien authorized hereby by appropriate foreclosure proceedings and/or a suit on the personal obligation against the Owner. In the event the Association shall fail to bring such an action for collection of a delinquent assessment within thirty (30) days following receipt of written notice from any Owner demanding that such proceedings be commenced, such Owner shall be authorized to institute such proceedings. There shall be added to the amount of such delinquent assessment the costs of collection incurred by the Association, or such Owner, which shall specifically include without limitation reasonable attorneys' fees for trial and appeal.
- Section 7.5 <u>Subordination of Lien to Mortgages</u>. The lien of the assessments provided for by this Declaration shall be subordinate to the lien of any bona fide mortgage which is perfected by recording prior to the recording of the claim of lien for any such unpaid assessments. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of the affected Lot by deed in lieu of foreclosure, pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure of such mortgage. No sale or other transfer shall release any Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessments. A written statement of the Association that the lien is subordinate to a mortgage, shall be dispositive of any question of subordination.
